

EPISCOPAL REGIONAL CONFERENCE MEETS IN CITY TODAY

A regional conference of the Episcopal church is being held at the parish house in this city today with clerical and lay delegates from many of the western Nebraska parishes in attendance. There are also present Bishop Richard Hulise, of Havana, Cuba, Bishop Beecher, of Hastings, and Rev. George Long, executive secretary of the church's midwest province.

The object of the conference is to create enthusiasm and lay plans for the nation-wide campaign the Episcopal church has inaugurated in behalf of general church work. It is a "wake up" movement; a movement that will contradict the statement that the church is asleep. The movement will show the people their responsibility and teach them their ability to shoulder these responsibilities. The primary purpose of the campaign is not to raise any money, but to inspire and inform Episcopalians regarding the church's activities and to mobilize all the church's resources in men, women and money for the expansion and continuation of these activities, particularly in missions, religious education and social service.

Chas. Noble was picked up on the streets in an intoxicated condition Wednesday evening and taken to jail. A couple of weeks ago Noble was taken in on the same charge and fined, and the next day he was again arrested on the drunk charge. This second time he was given the choice of serving sixty days in jail or leaving town in twenty minutes. He left but returned Wednesday and proceeded to get full. He will now serve his full sixty days in jail.

W. F. McEwen, of Cleveland, a representative of the National Refining Co., spent several days in town this week as the guest of Dr. and Mrs. D. E. Morrill. Mr. McEwen says Nebraska is one of the best markets for the National's products and is well pleased with the sales of the White Rose gasoline in North Platte.

Miss Dulcie Prater has been awarded a bronze medal for efficient war work. During Secretary and Mrs. Daniels' visit to San Francisco to review the arrival of the Pacific fleet, a reception was given for nurses who had worked abroad and at home and bronze medals were conferred upon those whose work was exceptionally good.

H. L. Pennington has been spending the greater part of this week in Wyoming looking up hay shipments.

A. L. Kanold, chairman of the B. of L. E. protective board, is spending today in town while enroute from Omaha to Laramie.

Three beet crews will be put on by the Union Pacific within the next two weeks. Two of these crews will work between North Platte and Northport, the third will be assigned to work in the Gering yards.

Hay is quoted today at \$15 per ton on track, a decline of several dollars within a week, and but little demand in the Omaha, Denver and other markets. The Leyboldt-Pennington Co. has about twenty cars on track with no market to which to ship.

Asa Searle, of Wallowa, Oregon, a former North Platte boy, is visiting friends in town while enroute home from Chicago. He left this city eighteen years ago and is surprised to find that the town has so grown that he is hardly able to recognize even the old landmarks.

Hartman and VanDoran have finished extracting their 1919 crop of honey and find that they have five and one-half tons on hand. Last year they shipped out the crop, and were criticized because they did not hold it for home consumption. This year they will hold it for home buyers—providing the buyers appear within a reasonable time.

The dancing party given to soldiers and sailors by the War Mothers at Masonic hall Wednesday evening was the most largely attended of any of the functions so far given by the Mothers. Not only was there a large attendance of the boys and their ladies, but parents of the boys were also present. A four-piece orchestra furnished the music and punch was served throughout the evening.

The campaign to raise funds for the home service work of the Salvation Army will be held the week beginning September 21st. Lincoln county's apportionment is about \$3,500, a sum which we are confident can be quickly raised because of the kindly feeling the people have toward the Salvation Army by reason of its wonderful work in the camps and on the firing lines in France. Every soldier boy who was overseas will testify to the good work of the Salvation Army.

HAS WON PLACE OF HONOR

Salvation Army's Work for Fifty-Four Years Recognized as Worthy of the Highest Praise.

Except for the war the Salvation Army would have celebrated its fiftieth birthday four years ago, but there could hardly have been a better reminder of what the army had done and become in a half century than the recent award of the Victoria Cross to three Salvation Army soldiers for their service in France. Fifty-four years ago things were very different; the first appearances of the salvationists aroused opposition, rowdies tried to break up the meetings, and on at least one occasion members of the future army were arrested in England as "disturbers of the peace." Originally simply an attempt to make converts by outdoor preaching, the movement which William Booth started in July, 1865, was put on a military basis and became the Salvation Army in 1878, since which time it has grown from 75 corps in England to about 9,000 corps and outposts in more than 60 countries. The army was officially recognized by King Edward VII when he received the founder at Buckingham palace in 1904; a different yet remarkable "official recognition" occurred quite recently when a tableau honoring the Salvation Army was made the climax of the current "Ziegfeld Follies" on Broadway.

HOME COMING CELEBRATION WILL BE LARGELY ATTENDED

Returned soldiers and sailors of Lincoln county are pleased over the announcement that North Platte will entertain them at a chicken dinner, furnish them grand stand admission to the auto races and provide them with evening entertainment on Saturday, September 27th, and from reports received from the county precincts it is evident that the number of boys who will be here will be large. The dinner, for which 125 chickens and other provender in proportion, has been engaged will be served in the grove at the city park at twelve o'clock, and during this meal the boys will be furnished free with tickets to the fair ground entrance and seats in the grand stand. A section of the grand stand will be reserved for soldiers and sailors and the section will be appropriately decorated with the national colors.

The auto races this year promise to be the best ever held, and this will prove, no doubt, agreeable afternoon entertainment for the boys.

Chairman A. W. Shilling, who will have charge of the evening entertainment, has selected a committee of energetic workers who promise the boys an evening of enjoyment. Capt. Shilling is a veteran of the Spanish-American war and has some ideas to work out which he thinks will satisfy the boys who have returned from service. Capt. Shilling thinks that it would be very nice for the boys to wear their uniforms and respectfully asks that they do so, though the boys should understand that this is not obligatory upon their part.

This reception to the soldiers and sailors is a North Platte community affair, and it is hoped that every Lincoln county boy who has been in the service will be present.
