## SALVATION ARMY LASSIE WILL SPEAK FRIDAY EVENING

Miss Betsey Blodgett, a Salvation Army lassie who has served in France for over a year, will be in North Platte Friday evening, September 19th, and deliver an address at the Franklin auditorium on her experiences and the work of the Salvation Army in France.

Miss Blodgett is a woman of high educational standards and has degrees from the universities of Chicago and Michigan. After the completion of her education she answered the call for Salvation Army lassies to help the Americans in France and she spent over a year overseas. She saw France and saw how the Americans saved the day in the great war and she will relate all these experiences in her talk Friday evening. She is a woman of charming personality and her smile has been rightfully named "the smile of the A. E. F."

### Young People Leave for School.

Yesterday Leo Tlho, Donald Newton, Muri Maurin, Elsie Waitemath, Eva Hoagland and Wilma Coates left for Lincoln to attend the state university; Claude Weingand went to Fremont to attend Midland College, and Leslie Bare to New York City to take a special course in the University of New York. Harry Waitemath will leave this week for Madison to enter the University of Wisconsin; Chas. Ginn to the University of Ohio to take up the engineering course, and John Hahler and Clarence and Nicholas McCabe to the University of Notre Dame.

### Praises Local Camp Ground.

In a Toronto, Canada, paper a couple who motored from California to Toronto tell of their experience and in the article appears this paragraph: "Mrs. Rogers had great praise for the free camping ground in North Platte, Nebraska, arranged by the Chamber of Commerce, where firewood, hot and cold water and shower baths were all provided free besides equipment. At Salt Lake camping ground one paid 50 cents a night."

### Notice to Diamond Buyers.

We had an opportunity to buy 12 diamonds at a very cheap price. If we would buy them all, they weighed three-fourths of a karat each; we gave the party a check for them and we have marked them at a very reasonable price. Call in and see them. Dixon the diamond man.

Rev. H. E. Hess has been returned to North Platte as pastor of the Methodist church by the conference in session at Lincoln last week. This, of course, was expected, as Rev. Hess' work the past year has been very satisfactory, and he is as popular outside the church as within.

Both John D. Rockefeller and his son John D. Rockefeller, Jr., are owners of Dodge Brothers motor cars. They find in these small cars, sold at a medium price, the same quality which they have in their large and high priced cars. If you will also investigate you might also find that one of the four Dodge Brothers passenger models would exactly suit your purposes and pocket book.

J. V. ROMIGH, Dealer.

## FORTY HORSES ENTERED FOR THE COUNTY FAIR RACES

The horse races at the county fair next week will without question be the best that has ever been witnessed on a North Platte track. Forty trotting, pacing and running horses will participate in the events, and among these are some real goers; trotters that will go under 2:20 and pacers that make the mile in less than 2:15. Among the entries are the Gould string of trotters and pacers, and a string from a Sioux city stable. Among the Gould horses is Emma Dee, who paced a mile at Lexington last week in 2:13 3/4; and on the splendid North Platte track she is expected to lower that time.

The track has been put in the pink of condition. In fact President Coates says it is not only the fastest dirt track in Nebraska, but he doubts if not in the country. With the track in such fine shape, the horses are expected to make mighty fast times.

### Breed Drives Fast Race.

Glenn Breed, who is entered in the auto races at the county fair, is doing fast work this year. A dispatch from Ardmore, Okl., under date of September 11th, and which appeared in the daily papers says: "What is probably the best time ever made in the state on a half mile track was made here at the county fair today by Glenn Breed, of Salina, Kas., in a Hudson car. From a standing start he made the 10 miles in 12:32."

### New Buildings at the Fair Grounds.

Two new cattle barns and an additional horse barn are being erected at the fair grounds. Entries of cattle for exhibition purposes has been so large that additional room became necessary. The horses entered for the races number forty and to accommodate them additional stable room is necessary.

### Goes After Airplane.

C. M. Trotter left for the east last night for the purpose of investigating airplanes and the probable purchase of a machine. If he buys a plane he will have it here in time to make flights at the county fair, the machine to be in charge of an experienced aviator.

## WILL OPEN OSTEOPATHIC HOSPITAL AND SANITARIUM

Doctors Louis C. Drost, Harold A. Fenner and William I. Shaffer have purchased from the H. & S. Agency the property located eight blocks south of the postoffice on Locust street known as the Myer tract, consisting of buildings and a plot of thirty-six lots. This property will be used for the purpose of establishing an institution to be known as the North Platte "Osteopathic Hospital and Sanitarium," and will be fully equipped to care for surgical, obstetrical and sanitarium cases.

The spacious grounds will be retained for future additions that may become necessary.

Throughout the country there are many like osteopathic institutions which have been a success. Osteopathic measures are rapidly being recognized as effective in all diseased conditions and the demand has become so great for osteopathic treatment in its entirety that the doctors were forced to organize this institution.

### Don't Plant Poor Seed.

The wheat raised in this locality this year is poor seed. It is weak and has run down in general quality. Good seed will cost thirty or forty cents per acre over the wheat you have. It will make you at least four to eight dollars an acre more than the poor seed.

Let us pull together for the improvement in the wheat crop around North Platte. We will supply you with good seed at \$2.25 per bushel. NORTH PLATTE FLOUR MILLS OR LEYPOLODT & PENNINGTON CO.

## VISIT THE NORTH PLATTE FLOUR MILLS BOOTH AT THE FAIR

The North Platte Flour Mills will again have a display of their products at the Lincoln county fair next week. But this year they are enlarging on their ideas of former exhibits; they will have three big free features; first, the guessing contest, the same as last year—guess the weight of the big sack of flour and you get the flour. Maybe it will be bigger than before and maybe it won't.

Second comes the bread baking contest; for the best loaf of bread that is made from either Cow Brand or Golden Glow flour and placed on exhibition they will give one 48 pound sack of flour and for the second best one 24 pound sack. Competent judges will be chosen and the contest is free to every one. It will open with the fair and entries close Thursday afternoon at six o'clock. Third is Souvenir Day. Every lady who calls at the booth on Saturday, one day only, will be presented free of charge with a handsome mixing spoon. Don't fall to call at this booth. There will be something doing all the time.
