Properly attiring himself, he left without causing further loss to the firm.

### HOAGLAND AND BEELER

#### RUN A CLOSE RACE

The vote of the primary election held Tuesday of last week, was canvassed Friday and tabulated.

The total vote cast was 854, of which W. V. Hoagland received 326, J. G. Beeler 311 and Wm. Ebright 210. Hoagland received a small majority in fourteen precincts, yet his plurality was but fifteen. The vote eliminates Ebright as a candidate for delegate to the constitutional convention and only the names of Hoagland and Beeler will appear upon the ballots.

The vote cast is somewhat higher than predicted, yet the cost of the election averaged \$2.65 for each vote cast. Candidate Hoagland mailed a circular letter to 5,000 voters in the county, and we understand Candidate Beeler sent out a big lot, hence every voter in the county knew that a primary election was to be held, yet were so indifferent as not to exercise their right of suffrage. It seems impossible to awaken among the voters an interest in primary elections, and at times we are inclined to think that the old plan of convention nominations represent the will of the people about as fully as do the primary nominations.

#### New Addition to be Opened.

Elsewhere appears a page announcement of the sale of lots in a new addition to North Platte as well as a sale of acreage tracts. Both the addition and acreage tracts are located at the east end of the Fourth ward, and the lots have the advantage of being close to the business section, in fact the addition is the closest-in tract that can be put on the market and the lots should be eagerly sought by those who desire to own a home. Both the lots and the acreage tracts can be purchased on easy payments.

#### Interested in County Fair.

Fred Rasmussen, editor of the Herbyshire Times, who was a visitor in town Saturday, says he looks for a very successful county fair this week if weather conditions are favorable. He makes this prediction on the interest which the people of Hershey and tributary section are evincing in the fair. Not only are they interested in the horse and auto races, but the farmers will be on hand with exhibits of products and stock. A big attendance may be expected from the Hershey section.

#### Murray Shows Fine Form.

Frank Murray won laurels on the golf course Sunday afternoon by completely "shading" Plumer, Rush and Healey, all supposed to be first string men. Murray made the nine holes in sixty-two, thus establishing a nine-hole record that other players will no doubt strive to equal or surpass.
