Don't Pay Such High Prices.

The only way to lower the present high cost of merchandise is to buy direct from the mills. This eliminates the profits made by the jobbers, wholesalers and retailers. Direct from the mills to consumers is the shortest and cheapest route for merchandise.

ONE MORE WEEK.

Due to the Lincoln County Fair, I decided to stay here one more week. This will give the thousands of out-of-town visitors and farmers the same opportunity to save on their own and family's winter clothing as the North Platte residents have had for the past eleven weeks.

\$30,000 IN ELEVEN WEEKS.

That's the amount of woolen goods the North Platte residents have already ordered during the past eleven weeks from our mills.

AND THIS IS WHY.

- 1. LOW COST**
By selling our goods direct from our mills direct to you we eliminate the profits made by the wholesalers, jobbers and retailers. Then again, the goods are made in Utah where the wool is grown in abundance.
 - 2. MADE TO FIT**
Underwear, sweaters, flannel shirts, mackinaws and all other of our manufactured garments are made to your individual measure and a perfect fit is guaranteed.
 - 3. MANY STYLES AND SHADES**
All our sweaters for ladies, men and children are made of all wool, in many styles and all colors.
 - 4. GOODS WITH A REPUTATION**
The Utah woolen goods have been sold direct to the consumer for the past 30 years in 15 different states. Ask your neighbor or any railroad man about them. They will tell you more about the quality and wear of our goods than we can tell you here.
- WE MANUFACTURE**
For Men, Women and Children—
UNDERWEAR—Cotton, wool and silk mixtures, 30 grades.
SWEATER COATS—for school, sport and work in many styles, knits and shades.
MACKINAWS—pure wool.
FLANNEL SHIRTS—pure wool and guaranteed against shrinkage.
LEATHER VESTS—chamois skin lined.
BLANKETS—20 grades.
HOSIERY—silk and wool.
3 PIECE SWEATER SUITS—for children, all wool, all colors.
SLIPOVERS—for ladies and misses.
RAINCOATS—snappy fall and winter styles, 25 grades.
THE COLD DAYS ARE SOON HERE!
Take advantage of my last week here and place your order for your winter clothes with us TODAY and you will have no disappointments.
ORDER NOW—PAY LATER
All orders are delivered any time between now and Christmas, and paid for on delivery. All our goods are Union Made.

Come to the Hotel Palace---Phone 46

(Across from the U. P. Depot.)
Walk right up to the Sample Room on the main floor and look our samples over. You owe it to yourself to see real woolen goods and save all the money you can. If your family is with you bring them along too. I'll be there every day of the week from 9 a. m. to 11 p. m.
If you can't come leave a call for me (phone 46) and I'll bring the samples to your house at any time and place.
