

### Pearl necklaces

Pearls, which have been so popular this summer, will be even more so this winter. The necklace will be an important feature of the smart day costume, and the height of fashion for evening wear.

Oriental pearls cost many thousands of dollars, but their exquisite colors and wonderful iridescence are reproduced in artificial pearls that serve the purposes of beauty and fashion equally as well as real ones.

We show pearl necklaces, graduated and uniform, in a variety of fashionable lengths and sizes of pearls. Each strand is fitted with a solid gold clasp.

\$3.50 to \$75.00.

Up to \$16.50 value waists this week \$11.95 at The Style Shop.

While the enrollment of the city high school is larger than usual, the attendance of boys is smaller than usual. This is accounted for by the fact that boys of sixteen or eighteen are able to secure employment at three or four dollars a day, and to them this appeals more strongly than does the advantages of an education.

**Painting and Paper Hanging, H. H. Landgraf, Phone Black 570.**

Madame Le Fontenay, who appears at the Methodist church in song recital this evening, gave a recital at Kearney Wednesday evening to an audience that packed the opera house. The Dally Hub says the concert was a real treat from beginning to end and not one of the immense crowd was disappointed.

Engraved wedding rings in green, yellow and white gold. Dixon, the Jeweler.

### LE FONTENAY RECITAL TONIGHT.

To be Held in Methodist Church 8:15  
This evening North Platte will be given the privilege of hearing Madame Odette Le Fontenay, a Metropolitan Opera star, at a complimentary recital given by Harry Dixon at the Methodist church.

Madame LeFontenay will be assisted by Mr. Charles Young, violinist. This recital is positively conducted with admittance by card of introduction only. Cards of introduction are free and may be obtained at Dixon's jewelry store.

The following is the program for the evening:

- (a) Salut a France, La Fille du Regiment—Donizetti
- (b) I know a Lovely Garden—d'Hardelet.
- (c) Yesterday and Today—Spross, Madame Le Fontenay with Edison Re-Creations of her Voice.
- Mr. Young with Edison Re-Creations of violin solos
- Fantasia Impromptu—Chopin.
- Edison Re-Creation of a piano solo by Mr. Andre Benoit.
- (a) Some Day, Old English Ballad
- (b) The Swallows—Cowan.
- Madame Le Fontenay, with Edison Re-Creations of her Voice.
- Edison Re-Creation of a performance by Concert Orchestra.
- Mr. Young with Edison Re-Creations of violin solos.
- I Am a Weaver Bold—Mendelssohn Edison Re-Creation of a Bass Solo by Arthur Middleton.
- (a) Good Bye—Tosti
- (b) The King of Thule (Faust)—Gounod.
- (c) Barcarolle, (Tales of Hoffman)—Offenbach.

Madame Le Fontenay and Mr. Young with Edison Re-Creations.

### D. A. R. Hold Interesting Meeting.

The Daughters of the American Revolution held a most interesting session at the home of the regent, Mrs. Grimes, Monday evening, which was attended by almost the entire membership. After discussing ways and means to raise their quota of the \$100,000 Liberty Loan purchased by the National D. A. R. as well as \$60,000 pledged to restore the French village Tillolvy, the following committee was appointed to have charge of a colonial party to be given in the near future: Misses Hinman, Huffman, McDonald, Patterson, Mrs. Neville, Mrs. Romigh, Mrs. Starr and Mrs. Cochran. At the close of the business session Mrs. Selby read an instructive and interesting paper on the origin and composition of the Creole Indian Negro songs usually referred to as the "American Folk Songs." The musical program in charge of Miss Huffman, consisting of a medley of southern songs, Negro melodies and patriotic songs, was greatly appreciated.

### Foot Ball This Afternoon.

The first scheduled foot ball game of the 1919 season will be called at 3:30 this afternoon at the east end park. Lexington will be the visiting team, and they are reputed to be a fast bunch with lots of speed in the back field and a heavy line. North Platte has shown much improvement since the game with the alumni last week, both in their offense and defense.

Lexington won from Gibbon last week by more than 100 points and is without doubt one of the fastest teams in western Nebraska. The local team has been handicapped so far by the necessity of shifting the line up, but the coaches are satisfied that they now have the right combination, as the team has developed rapidly during the past few days.

Vic Halligan will referee and J. T. Keefe will act as one of the other officials. The probable line up follows: Overman L. E., McGrew L. T., Walter L. G., Yost C., Simon R. G., Hendley R. T., Lock R. E., Hinman quarter, Adams R. H., Norris L. H., McFarland or Johnson F. B.

### The Twentieth Century Club.

The Twentieth Century Club met Tuesday afternoon with Mrs. W. R. Maloney, Mrs. James L. Roddy assisting. The beautiful weather and the importance of the initial meeting, brought out an unusual attendance. One of the largest in several years. A new feature was the community singing under the direction of Mrs. Henry Gilfoyl with Mrs. Arthur Dodd at the piano. Mrs. Shelver was elected vice president to take the place of Mrs. Blalock who has removed to Denver. The silver anniversary of the Federated Clubs of Nebraska will mark the state meeting at Fairbury and preparations are being made for a convention that will stimulate ambition and ideals for future accomplishments. President Mrs. George Frater and Mrs. Wilson Tout will act as delegates with Mrs. W. C. Shelver as alternate on that occasion. As will be remembered the Club last spring set out some twenty trees in the city park in Riverdale addition as a commemoration of the boys of North Platte and Lincoln county who made the supreme sacrifice in the recent struggle for our liberty and whereas the said park has never had a distinguishing name a petition was drawn up and presented at the meeting for endorsement of the Club in general, beseeching the city council to bestow the name "Memorial Park" on this tract of land and asking the co-operation of the citizens to make the park a fitting memorial for those we sent away to fight our battles and who alas! will never return. All members present signed it and I am happy to state that at a meeting of the city council Tuesday evening the committee from the club who have the matter in hand had the pleasure to see it become a city ordinance. At the conclusion of the club meeting delicious refreshments were served and a most delightful session brought to a close.

## Charging to Move a Telephone

Some people keep their telephones at the same location for a long time.

Other people move every little while.

Here is an actual record of 100 telephones installed in an exchange a year ago:

- 21 were kept 2 months without moving
- 19 were kept 4 months without moving
- 24 were kept 6 months without moving
- 13 were kept 8 months without moving
- 14 were kept 10 mos. without moving
- 9 were kept the entire year.

We charge for moving or installing a telephone because we feel that a part of the cost should be paid by the person responsible for it rather than the expense be borne by all telephone users.

Nebraska Telephone Company.

### MORE THAN MERE CHAUFFEUR

New York Merchant Has Driver Who Knows Business Methods and Aids His Employer.

"I don't believe in having too many carefully worked-out methods for preventing errors in an organization," writes L. Werthelmer in System, the magazine of business. Mr. Werthelmer is president of a concern which operates five big department stores in the northern part of New York city. He goes on to tell the plan he uses: "One of the best checks that I get on my business is through my chauffeur. I have to keep a machine at call all the time, so that I can get from store to store without delay. My driver is not simply a driver; he is a high-grade man who knows a good deal about my ideas of merchandising—a man who conceivably may some day be manager of one of my stores."

"While he is waiting for me he does not simply sit outside in the machine. He wanders around the store, looking at displays, noticing how salesgirls deal with customers, whether our prices are by chance higher on this item or on that than they should be. Every morning his written observations are placed on my desk; from them I have time and again gleaned pieces of information that made a big difference in the profits of the store."

## Carry On!

These are times of stress and a great many individuals are growing pessimistic over the future.

Consider conditions a year ago today!

Then face the future with optimism and a thankful heart. We are passing thru that period of reconstruction or adjustment which we well know must follow war.

Cheer up! Keep your bank account growing. Buy wisely; spend wisely and think straight. All will be well.

### ADJUSTMENTS LIKE BONDS ARE A FAMILY INVESTMENT

## DRS. STATES THE CHIROPRACTORS

The family that strikes Twelve on the Clock of Success and Happiness is a family that is watchful of the condition of the backbone of every member, for the backbone is the foundation of health.

Whenever there is weakness of any part of the body the cause will be found in pressure upon nerves that transmit energy from brain to body. So long as there is nerve pressure caused by disorder of any of the twenty-four movable joints of the backbone, there cannot be a normal degree of health and vigor. Adjustments of the joints of the backbone keep nervous vigor and health at high pitch.

FREE—Call for a free consultation and determine for yourself what adjustments can do.
