-::0::--To the Voters of Lincoln County, Neb. North Platte, Neb., Oct. 25, 1919.

An election will be held on November 4th, to elect delegates to a CON-STITUTIONAL CONVENTION. This convention will submit a new constitution to the voters at the election next fall.

On account of my experience during three sessions of the legislature and the position I have taken on important public questions, many persons urged me to become a candidate for this convention. This is one of the most important events in the history of the state. Our constitution is the safeguard for the protection of the people. While I am a Republican in politics, the names of the candidates will appear on a non-partisan ballot for this election.
