# The DAIRY

## INCREASE OF DAIRY EXPORTS

Figures Are of Particular Importance as They Show Trend of Trade Following War.

(Prepared by the United States Department of Agriculture.)

Dairy products amounting to the equivalent of 100 pounds of milk from every dairy cow in the United States were exported during the year ending June 30, 1919, according to figures just compiled by the United States department of agriculture. The exports include butter, cheese, and condensed milk, but the net exports of those products in terms of whole milk amounted to 2,556,695,746 pounds, or approximately 3 per cent of all the milk produced in the United States.

These figures indicate the possibilities of developing foreign markets for American dairy products. They are of particular importance, as they show the trend of trade immediately following the war. Probably the greatest interest in an industry is that displayed during the time between actual war and actual peace, the specialists say when businesses are trying to regain normal trade or acquire an advantage in their special lines. During the fiscal year 1919 the armistice was in operation the greater part of the time only the first four months—July to November—being in the actual war period.

During the year the exports of butter and condensed milk were increased, and the exports of cheese were decreased when compared with 1918. The total butter exports amounted to 33,739,960 pounds for the year. This is the largest amount of butter exported from the United States in recent years and has exceeded but three times since 1850. The largest amount on record was for the year 1880, when 39,000,000 pounds were exported. The cheese exports for 1919 were only 18,794,853 pounds, which is a decrease of more than 50 per cent when compared with any year from 1915 to 1918, inclusive. The condensed milk exports for 1919 were 728,740,500 pounds. This is an increase over 1918 of 108,900,477 pounds.

The net exports of these dairy products were:

	Pounds	Eqv't in whole milk (pounds)
Butter .....	29,608,491	621,778,311
Cheese .....	16,322,547	163,535,471
Condensed milk .....	708,856,786	1,771,391,968

1919, net exports in terms of whole milk..... 2,556,695,746  
1918, net exports in terms of whole milk..... 1,929,000,000

It is noticeable that the butter exports fell off in May and June each year, as the butter made during those months is used largely for storage.

## Dairy Cows Produce for the World.

While the exports of butter for 1919 were practically doubled the imports also were doubled, and amounted to 4,731,469 pounds. The cheese exports were not heavy for any month of the year, the largest amount being for July, 1918, which reached 5,656,901 pounds. The imports were also greatly reduced, being only 2,442,306, the lowest since 1878.

The condensed and evaporated milk showed a continued and material increase throughout the year. The increase was greatest during May, June, and July. In June there were exported 114,835,626 pounds, which was greater than the total for any year prior to 1918. The imports of condensed milk continue, but were reduced from 29,000,000 pounds in 1918 to 20,183,723 pounds in 1919. Fresh milk amounting to 2,591,553 gallons also was imported during the year.

## BUSINESS OF THE DAIRY COW

Function of Animal is Production and Reproduction—Man Must Furnish Fuel Units.

The dairy cow is but a machine whose function is production and reproduction. It is her business to convert farm-grown products into food products, more concentrated and hence more valuable than when given her as raw material. It is man's business to supply food or fuel units for this machine.

### "KILL-JOYS"

Constipation, Headache, Colds, Biliousness ended with "Cascarets"

Nothing takes the joy out of life quicker than a disordered liver or waste-clogged bowels. Don't stay sick, bilious, headachy, constipated. Remove the liver and bowel poison which is keeping your head dizzy, your tongue coated, your breath bad and stomach sour. Why not spend a few cents for a box of Cascarets and enjoy the nicest, gentlest laxative-cathartic you ever experienced? Cascarets never gripe, sicken or inconvenience one like Salts, Oil, Calomel or harsh pills. They work while you sleep.—Adv.

**Appalling Accident Record.**  
Approximately 120,000 persons were killed in accidents during the 19 months of America's participation in the war with Germany, and more than 2,000,000 men, women and children were so seriously injured that they lost more than four weeks of time or were permanently maimed, according to C. W. Price, general manager of the National Safety council.

The casualties from accidents each year are twice as great as were the casualties among American soldiers-sailors and marines during the war.

**To Have a Clear Sweet Skin.**  
Touch pimples, redness, roughness or itching, if any, with Cuticura Ointment, then bathe with Cuticura Soap and hot water. Rinse, dry gently and dust on a little Cuticura Talcum to leave a fascinating fragrance on skin. Everywhere 25c each.—Adv.

**Clever Strategy.**  
A farmer, whose watermelon patch had been the object of several raids by passing motorists, secured immunity by posting the following sign conspicuously near the roadside: "Warning: Six of these melons are shot full of strychnine and nobody but me knows which ones they are!"

## Eases Colds

At once! Relief with "Pape's Cold Compound"

The first dose eases your cold! Don't stay stuffed-up! Quit blowing and snuffing! A dose of "Pape's Cold Compound" taken every two hours until three doses are taken usually breaks up a severe cold and ends all gripe misery.

Relief awaits you! Open your clogged-up nostrils and the air passages of your head; stop nose running; relieve the headache, dullness, feverishness, sneezing, soreness and stiffness.

"Pape's Cold Compound" is the quickest, surest relief known and costs only a few cents at drug stores. It acts without assistance. Tastes nice. Contains no quinine. Insist on Pape's!—Adv.

**More Scarce Now.**  
"Did you ever see a black diamond?"  
"Oh yes. Before the war I used to have my cellar filled with 'em."

### ASPIRIN FOR COLDS

Name "Bayer" is on Genuine Aspirin—say Bayer

Insist on "Bayer Tablets of Aspirin" in a "Bayer package," containing proper directions for Colds, Pain, Headache, Neuralgia, Lumbago, and Rheumatism. Name "Bayer" means genuine Aspirin prescribed by physicians for nineteen years. Handy tin boxes of 12 tablets cost few cents. Aspirin in trade mark of Bayer Manufacture of Mono-aceticacidester of Salicylicacid.—Adv.

**Nonprofessional Talk.**  
"Doctor, may I speak to you in a nonprofessional capacity?"  
"Um-m. I guess so."  
"Your coat tails are on fire."

We've met some people we'll bet could sell fur coats to the Hottentots.

There are roads to riches, but many of us travel in the wrong direction.

### TOO SHORT TO DO UP AND STILL FALLING

A little "Danderine" stops your hair coming out and doubles its beauty.

To stop falling hair at once and rid the scalp of every particle of dandruff, get a small bottle of delightful "Danderine" at any drug or toilet counter for a few cents, pour a little in your hand and rub it into the scalp. After several applications the hair usually stops coming out and you can't find any dandruff. Help your hair to grow strong, thick and long and become soft, glossy and twice as beautiful and abundant.—Adv.

It is said that philosophy is the liver pill of life. Others say that it is the blue mass of resignation.

## Save the Babies

INFANT MORTALITY is something frightful. We can hardly realize that of all the children born in civilized countries, twenty-two per cent., or nearly one-quarter, die before they reach one year; thirty-seven per cent., or more than one-third, before they are five, and one-half before they are fifteen!

We do not hesitate to say that a timely use of Castoria would save many of these precious lives. Neither do we hesitate to say that many of these infantile deaths are occasioned by the use of narcotic preparations. Drops, tinctures and soothing syrups sold for children's complaints contain more or less opium or morphine. They are, in considerable quantities, deadly poisons. In any quantity, they stupefy, retard circulation and lead to congestions, sickness, death. There can be no danger in the use of Castoria if it bears the signature of Chas. H. Fletcher as it contains no opiates or narcotics of any kind.

Genuine Castoria always bears the signature of *Chas. H. Fletcher*

**When Insomnia Sets In.**  
"Do the trolley cars keep you awake?"  
"Never," said Mr. Crosslots. "It's when there's a threat to stop 'em that I get nervous and can't sleep."
