

What Will the Harvest Be? Watchman, What of the Night?

In one way or another these questions are being asked and pondered over by thoughtful men and women with heads in hands all over the world today. What about Capital? What about Labor? What about the High Cost of Living? Are prices to be higher or lower? Volumes might be written in addition to those already in print about it and them, and after all, like the Persian Philosopher, we would find ourselves going in at the door we came out.

The markets of this county are absolutely panicky--not a panicky condition which means smashing of prices helter-skelter, BUT A PANIC UPWARD, PRICES SOARING, JUMPING HIGHER AND HIGHER DAILY AND HOURLY. Now, how long will it last is on everybody's mind, if not on everybody's tongue, Manufacturers and jobbers assure us that prices will not be lowered before 1921 and some say longer.

Six months ago when we placed our orders for this season, we knew there would be an enormous shortage of desirable merchandise and we bought very heavy, and from our heavy purchases we received the most complete stock of High Grade merchandise for Men and Boys ever brought to North Platte. But storms, bad roads and fuel situations have hampered our efforts and greatly curtailed our sales and as a result we are very much overstocked. Therefore beginning FRIDAY MORNING, JANUARY 2nd. PROMPTLY AT NINE O'CLOCK, WE WILL START A MOST EXTRAORDINARY SALE.

Our Entire Stock of
Men's and Boys' High
Grade Wearing Apparel
to be placed on Sale at **1/5 TO 1/2 OFF**
