Lose Out by Two Votes.

Messrs. Sebastian, Hollman and Rasmussen, who attended the state convention of insurance men at Alliance this week, returned home yesterday morning.

North Platte made a big for the convention next year but lost out by the narrow margin of two votes in a total of 300 votes cast, Omaha receiving 151 votes and North Platte 149. This is evidence that the delegates in attendance from this city boosted for North Platte from start to finish.

Lived With Wife Two Days.

In the district court Wednesday Anna Burdell was granted a divorce from her husband John A. Burdell on the grounds of abandonment. Mrs. Burdell, who has made her home in Lincoln county for four years, stated in her petition that she and Burdell were married at Lead, S. D., in June, 1914, and that two days after the wedding her husband went to Little Rock, Ark., promising her that he would send for her and that they would make that city their home. Since that time she has not seen him.

Notice to The Public.

Why Aluminum Discs?

EVERY woman knows that it's much easier to wash and thoroughly clean aluminum cooking utensils. Grease does not stick to aluminum. Just one reason why we use aluminum skimming discs in the SANITARY MILWAUKEE CREAM SEPARATOR. Another reason: Aluminum discs do not rust or corrode like the tin-plated steel discs of other separators. Still another reason: Using aluminum enables us to taper MILWAUKEE discs—a process too costly—too intricate to attempt in steel discs. Tapering the discs gives much greater separating capacity between each set hence the MILWAUKEE requires only about half the number of discs used in other separators, to accomplish even quicker, clearer skimming.

Discs are also to be made available. No tedious work changing them in the box to proper position. The numbered discs. Just slip them back in any order. Every MILWAUKEE separator is fitted with fresh milk, before it passes our inspectors. You are a certificate of this fact, also non-clad guarantee, quality attracting you when you buy.

See the Sanitary Milwaukee on our display floor.
