

## THE MOST BEAUTIFUL CAR IN AMERICA

THE man who tempers economy with wisdom directs the expenditure of his money judiciously. He is more concerned with ultimate values than with mere cheapness of price.

It is to this type of person among motorists that the Paige car most appeals.

We, of the Paige Company, have always taken the view that unless a car has the qualities essential to comfort, lasting satisfaction and pride of ownership, it would be dear at any price.

So we built the Paige Glenbrook according to our ideas of what a real motor car should be—a car which would be not only a reliable vehicle of transportation but also a car of beauty, comfort and power.

#### JEWISH TRADERS IN AFRICA

Are Known to Have Had Depots for Commerce There in the Fifteenth Century.

Jews of the fifteenth century had trading posts in northwest Africa and carried on a vast commerce with the natives from the Sahara to the Atlantic, and from Algeria to the Niger, according to letters recently discovered by Charles de la Ronciere, librarian of the national library in France, and published by the National Geographic society. Hitherto Africa has not figured at all in medieval history. It was called the "Dark continent" when Stanley and Livingstone penetrated it about a century ago.

The letters recently discovered were written in 1447 by Antonia Malfante, a Genoese citizen, believed to be the only Christian the Jews allowed to penetrate their trade region. They were written from Timbuktu and Touat. Timbuktu was the Chicago of the West African plains, and Touat the center of camel caravan traffic that exchanged the wheat and barley of Egypt for the powdered gold of Timbuktu and the precious salt from Teghazza. Touat was an oasis containing from 150 to 200 villages, and each village had a chief.

The civilization of that date was advanced enough for the residents to take a census of their populations. This was done when the people of Timbuktu and a rival city, Gao, were numbered to decide a wager. Business was done on a large scale.

#### Primitive Summons.

New York university has come into possession of an original photograph of the first janitor of that institution, equipped with the gong and stick with which he called the students to classes. When the university was founded, January 8, 1890, and students met in the original building back of the city hall, there was, of course, no electric bell-ringing system. The responsibility of attendance at recitation was shunted on the janitor.

Promptly on the hour he would proceed through the corridors armed with a huge metal gong in one hand and the gong stick in the other. Posing outside the classrooms he would beat his tattoo until the professor ceased his lecture and the students moved on to the next room on the program.

#### "Sea Cow" Now Extinct.

The last arctic "sea cow" was seen in 1854—about a century after the first discovery of the species by white men. When full grown the creature weighed as much as 8,000 pounds.

These animals frequented shallows at the mouths of rivers in herds, and while feeding they drove before them their young, to protect the latter from danger. So tame were they that one could stroke their backs without objection on their part.

Unfortunately their flesh was good to eat, resembling beef. Whalers got in the way of depending on them for stores of fresh meat, and so in the natural course of events they were wiped out.

#### Small Boy in Hard Luck.

While Charles was sick and out of school his teacher and the pupils of his room were moved to a room across the hall from the one formerly occupied. On his return to school Charles went back to his old room. The teacher in charge noticed the little fellow standing by her table looking most forlorn, so she asked him what he wanted. He glanced up at her, then looked at the roomful of strange boys and girls, and said with a pathetic quaver in his voice, "I've been sick, and now I can't find anybody here that belongs to me!"

#### LOCATED THE MISSING SHOES

Passenger Who Had on Wrong Pair Admitted Thinking That They Felt "Pretty Tight."

Mr. D. of North Pennsylvania street tells of a near tragedy, or something akin to it, which occurred a few days ago on a morning train coming in from Chicago, relates the Indianapolis News.

He had occupied an upper berth, and when he arose found that his shoes had disappeared. A pair not his own were where his should have been, but they evidently belonged to the occupant of the lower berth.

The porter was called, but his most diligent search failed to locate the missing shoes. The train was rapidly speeding toward Indianapolis, and with visions of arriving stockings-footed, Mr. D. was in a most unenviable state of mind.

About that time a portly little man sauntered down the aisle, stopped and began to assemble his possessions preparatory to detaining. "What's the excitement?" he inquired, becoming interested in the search.

"Why, this man's lost his shoes," said the anxious porter. "You don't suppose you-all might 'a' mistook them for yours, do you?"

Then the portly party took a look at his feet and discovered that he had.

"Well," said he, considerably chagrined, "I thought that the pesky things felt pretty tight."

And then there occurred a hasty exchange of shoes just as the train pulled into the station.

#### Hardest Tool-Steel Yet Discovered.

When a tool becomes dull, time is required to sharpen it, and time in a machine shop is expensive. A tool that will cut hard materials and still keep its edge saves both time and money. Eleven years ago Professor J. O. Arnold, of Sheffield, England, invented the alloy of steel in which the metal vanadium was introduced to provide a cutting power greater than that of other steels. As a result very rapid production became possible. He has now produced a steel of even greater cutting power in which the alloy molybdenum replaces the tungsten present in all vanadium-alloy steels, forming six per cent of the steel instead of the eighteen per cent of tungsten. It eclipses the cutting-power of all its rivals.—Popular Mechanics Magazine.

Metcalf, plaintiff herein filed her petition in the district court of Lincoln County, Nebraska, the object and prayer of which is to quiet title in the plaintiff herein.

Anna V. Metcalf, to the Northeast Quarter and the Southwest Quarter and the West Half of the Southeast Quarter of the Southeast Quarter of Section 29, and all of Section 21, and the South Half of the Southeast Quarter of the Southeast Quarter of Section 19, all in Township 16, North Range 32, West of the 6th P. S. Live Stock Co., be adjudged and decreed to have no right, title, claim, lien or interest in or to five certain mortgages on parts of above described land, all executed on April the 27th, 1912, and all executed by Will Outtrim and Clara C. Outtrim, his wife, to U. S. Live Stock Co. as follows:

One for \$500.00 upon the Southeast Quarter of the Southeast Quarter and the West Half of the Southeast Quarter of Section 29 and the South Half of the Southeast Quarter of the Southeast Quarter of Section 19 all in Township 16, North Range 32, West of the 6th P. One for \$1,000.00 upon the West Half of Section 21, Township 16, Range 32

in Lincoln County, Nebraska, and recorded in the Mortgage Records of Lincoln County, Nebraska, in Book 42 of Mortgages, Page 307.

And plaintiff prays that said U. S. Live Stock Co. be adjudged and decreed to have no right, lien or interest in said mortgages for the reason that said defendant, U. S. Live Stock Co., for a valuable consideration sold, assigned and transferred each and all of said real estate mortgages to the plaintiff herein.

That in addition to the relief heretofore prayed for, plaintiff further prays that the defendant, Will Outtrim, be also adjudged and decreed to have no lien or interest in and to the Northeast Quarter of Section 29, Township 16, Range 32, by virtue of one certain mortgage executed by John E. Ghrist to said Outtrim for the sum of \$575.00 on July 15th, 1912, and recorded in the Mortgage Records of Lincoln County, Nebraska, in Book 41, at Page 307.

And also that said defendant, Will Outtrim, be adjudged and decreed to have no lien or interest in and to the Northwest Quarter of Section 21, Township 16, Range 32, in Lincoln County, Nebraska, by reason of a certain mortgage executed by Austin S. Ghrist, single, to said defendant, Will Outtrim, for \$600.00 dated August 13th, 1912, and recorded in the Mortgage Records in Book 40 of Mortgages, at Page 300.

And that said defendant, Will Outtrim, be adjudged and decreed to have no lien or interest in and to the Southwest Quarter of Section 21, Township 16, Range 32, in Lincoln County, Nebraska, by virtue of a certain mortgage executed by Austin S. Ghrist, single, to Will Outtrim for \$600.00 on August 13th, 1912, and recorded in the Mortgage Records of Lincoln County, Nebraska, in Book 40, at Page 299, for the reason that each and all of said three last described mortgages were duly and legally foreclosed and barred in an action instituted in the district court of Lincoln County, Nebraska, wherein Anna V. That in addition to the relief heretofore prayed against him, the defendant, Frank Wille, be also adjudged and decreed to have no lien, right or interest in and to the Northeast Quarter of Section 29, Township 16, Range 32, in Lincoln County, Nebraska, by reason of a mortgage executed by John E. Ghrist to Will Outtrim on the 15th day of July, 1912, for the sum of \$575.00, duly recorded in the mortgage records of Lincoln County, Nebraska, in Book 41, at Page 307, which said mortgage was by said Will Outtrim assigned to C. E. Marquis and by said C. E. Marquis to the defendant, Frank Wille, for the reason that said mortgage was duly and legally barred and foreclosed in an action instituted in the district court of Lincoln County, Nebraska, wherein Anna V. Metcalf was plaintiff and said defendant, Frank Wille and others were defendants and wherein summons was duly and legally served on the defendant, Frank Wille.

That in addition to the relief heretofore prayed against him, the defendant, C. E. Marquis, be adjudged to have no right, title, lien or interest in and to the Northeast Quarter of Section 29, Township 16, Range 32, in Lincoln County, Nebraska, by reason of a certain mortgage executed by John E. E. Marquis, for the reason that the said C. E. Marquis has sold, assigned and transferred all of his right, title and interest in and to said mortgage to the defendant, Frank Wille.

And plaintiff further prays that her title in and to all of said above described land be quieted as against each and all of the defendants herein and against said Northeast Quarter and the Southwest Quarter and the West Half of the Southeast Quarter and the Southeast Quarter of the Southeast Quarter of Section 29, and all of Section 21, and the South One-Half of the Southeast Quarter of the Southeast Quarter of Section 19, all in Township 16, North Range 32, West of the 6th P. M. in Lincoln County, Nebraska, and all persons claiming any interest of any kind in said real estate or any part thereof and that said defendants and each and all of them be decreed to have no right, title or lien in and to said premises or any part thereof and for general equitable relief.

You are required to answer said petition on or before the 28th day of June, 1920.

Dated May 10, 1920.
