East Fourth Street Will Be Paved. Yesterday the time expired to file a remonstrance against paving East Fourth Street. A remonstrance was filed, signed by quite a group of property owners, but it did not receive the signatures of a majority of the property owners. The law provides that after a paving district has been created by an ordinance 20 days time shall be allowed for the filing of a remonstrance. In order to stop the paving the remonstrance must be signed by a majority of the property owners. Those opposed to the paving worked very hard, but they lack quite a number of securing a majority to sign the remonstrance, therefore this street will be paved.

The other paving districts which have been created which are West Fourth Street, West Fifth Street and East Fifth Street have not yet reached the same stage as East Fourth St., but those who are interested in paving East Fourth Street say that they are willing to have their procedure delayed so that all of the districts may be advertised at the same time and all the work put in at the one time.

EDISON and MUSIC

May we give you the book which helped thousands to get their phonograph in the cabinet of their ideal?

IN the fascinating pages of "Edison and Music" you will learn the characteristics of the exquisite styles developed by the Old Masters in England, France and Italy. Seventeen beautiful plates illustrate the New Edison's cabinets, each of which is a direct adaptation from some historic furniture treasure. No one should buy a phonograph without getting this book. It's free.
