U. P. Officials Here Wednesday.
 A special train of U. P. railroad officials was here Wednesday on a nine day inspection trip of the track line.

They started from Omaha in the morning and reached here about two o'clock and were welcomed by a representative of the local Chamber of Commerce and business men.

The special train left for Haig and returned the same evening. Yesterday morning it started for Laramie by way of Denver.

From Laramie they will go to Pocatello, and from there to Ogden and expect to return here on Tuesday or Wednesday of next week.

The list of members in the party is as follows: C. R. Gray, president; J. L. Haugh, assistant to the president; N. H. Loomis, general attorney; F. W. Robinson, freight traffic manager; W. S. Baalinger, assistant traffic passenger manager; R. D. Robinson, engineer of maintenance; J. P. Arey, superintendent of Nebraska division; A. W. Calloway, president of Davis Coal and Coke Company.

HOTTEST DAY THIS SUMMER.
 Wednesday was the hottest day so far of the summer. Tuesday the thermometer was up to 97 and Wednesday it went to 98. There is some complaint of dryness in the valley but the farming land on either side is said to be in good shape.

NEW LOCATION.
 The Best Laundry which recently purchased the building on west Front Street, formerly occupied by the North Platte Laundry, is making the necessary repairs and enlargements. When these are completed the laundry will be moved to the new location where an expansion of the business will be possible.

CIVIL SERVICE EXAMINATION.
 An examination will be held at the local post office on Saturday, August 14th, for Clerk (Male and Female) and Carrier, in the Post Office at North Platte. The recent increase in salaries of this class of employees gives them a compensation from \$1400 to \$1800 which is considerably above that paid before July 1st, 1930. Applications should be made to Mrs. Lillian M. Gleason, Secretary Civil Service Board, North Platte.

Card of Thanks.
 We are grateful to our many friends for the kindness shown and the many flowers received upon the death of our father.

Roy Gorkin,
 Mr. and Mrs. Wm. Lannin.
