THIRTY-SIXTH YEAR.

NORTH PLATTE, NEB., AUGUST 20, 1920.

No. 64

EXHIBIT FOR STATE FAIR.

LINCOLN COUNTY WILL ATTEMPT TO WIN FIRST HONORS FOR HER FARM PRODUCTS.

Lincoln County will make an exhibit at the State Fair this year which will be held Sept. 5 to 10 inclusive. A committee of enthusiastic and live business men and farmers have been chosen to collect the material and put it in place. At the head of this committee is E. A. Olson prominent in North Platte and Lincoln County business circles. The other members of the committee are Otto Mesmer and W. W. Hunter of North Platte, W. H. Woodman and Fred Pierson of Hershey, G. Rishel, Carl Wickstrom and Arnold Francis of Hershey, William Sowle of Maxwell, Nathan Bratten of Brady, J. W. Pielsticker of Dickens, A. B. Abercombe of Bignell, Frank Johnson of Wellfleet and E. W. Crossgrove of Farnam.

The committee has been at work and has a general idea of the nature of the work to be undertaken. It proposes to make an exhibit of farm products including grains, grasses, fruits, vegetables, hay and any other farm or agricultural product. Several bales each of clover and timothy are especially desired to make an exhibit complete. While hail, frost, animal pests and dry weather have each made small demands on the Lincoln county crop in places, the big part of the agricultural land is producing as well as usual and in some parts better than ever before. This would guarantee a wonderful exhibit from Lincoln County.

The show rooms of the J. S. Davis Auto Co. at 209 E. Sixth have been secured for assembling the exhibit. Volunteers are needed to prepare and pack the materials and the chairman asks that anyone who will help in this work will let him know. Call him at 1130 between six and seven in the evening. They expect to load the exhibit on the last day of this month.

D. M. C. Crochet Cotton now on sale at The Leader Mer. Co. Since the War started you haven't been able to buy it until now.

MAYWOOD COMING FOR BALL GAME SUNDAY.

Maywood has been boasting the fastest ball team on the High Line, and not being satisfied with that they extended their boasts down this way. Fred Peterson, the aggressive manager of the P. O. Independents, hearing of this immediately challenged them to a finish match anywhere in America. The North Platte Stadium, or Fair Grounds, was chosen as the battle grounds and the zero hour set for three o'clock Sunday afternoon.

AERIAL MAIL SATURDAY.

The first aerial mail car will probably reach North Platte tomorrow. Postmaster Sturgis is busy today looking after unloading and barreling a carload of high test gasoline. Supplies of lubricating oils and other aeroplane accessories are being assembled.

CHILDREN'S PARTY.

Wednesday afternoon, Gerald Burton Miller, son of Mr. and Mrs. Bert Miller, 507 W. Tenth street, was five years old. His mother invited a number of his little friends to their home and they had a party. Refreshments for the youngsters were served and a number of presents were given to the guest of honor.

PRAISES CAMP GROUND.

Banker Good, of Peru, Nebr., was in the city yesterday visiting with E. S. Davis. Both men were members of the last legislature. Mr. Good was taken over the city and expressed his pleasure at the beautiful homes and the many trees but was enthusiastic about the Camping Grounds. He said he had not before visited a public shower bath and that it was a pleasure which the auto tourist appreciated. He spoke highly of the courtesy and efficiency of Geo. Finn the custodian of the grounds.

ANOTHER GOOD RAIN.

A much need sprinkle started late last night and before morning developed into a regular rainstorm with thunder and lightning accompaniment. Weatherman Shilling reports three and one-fifth inches of rain during the night. Wires are down this morning so it is not possible to get the extent of the storm or the damage in other places. Only once before has the local weather station recorded a heavier rainfall in one night.

Try the Rexall first. It pays. 141f

ANOTHER JOB-BING HOUSE.

TWO YOUNG MEN FROM KANSAS OPEN WHOLESALE AND RETAIL TYPEWRITER EXCHANGE.

The North Platte Typewriter Exchange is the name of the newest business firm that is locating in this city. Its business is to wholesale and retail all make of typewriters, typewriter accessories and supplies, including ribbons, oils and parts and office supplies of all kinds. At present the headquarters of the sales force is located in the Palace Hotel and as soon as a suitable location can be secured, the repair force will start work. John J. Holland is General Manager. He spent several years with the Royal and L. C. Smith typewriter people of Kansas City and Topeka and had just associated himself with Mr. Hughes out of Topeka when he enlisted and served over a year in the army. After his discharge in 1918 he formed the partnership and started a Typewriter exchange at Hutchinson, Kansas, from which place he came to North Platte. Mr. F. E. Hughes is Manager of the Wholesale Department. He started with the L. C. Smith Typewriter company several years ago, later transferring to the Underwood Company and becoming their manager at Topeka. In 1919 he with Mr. Holland went to Hutchinson where they were successful in building up a good business. They sold the Hutchinson Exchange several weeks ago and have been travelling over the country looking for a new location. While in Scotts Bluff last week Mr. Hughes was in an automobile accident which has laid him up since and he will not be able to walk for probably two weeks yet. H. W. Renicke and W. M. McGraw, both of Kansas City, will have charge of the repair department. They are expert repairmen, having spent several years at this work. The North Platte Typewriter Exchange has no local competition and the field here looked good to the owners. "We like your city," said Mr. Holland last night, "and by fair dealing we hope to build up a business that will serve the people of this community better than they can be served by any other concern."

New fall gingham many exclusive patterns now being shown by The Leader Mer. Co.

Oliver Carroll, of the W. R. Maloney Co., left Wednesday night for Hanna, Wyo., where he will disinter a Japanese who recently died, take the remains to Denver to be cremated and ship the ashes to Olympia, Wash. The ashes will then be taken to Japan on a steamer which sails the latter part of this month.

NEAR EAST APPEALS.

COMMITTEE FOR LINCOLN COUNTY ASKS FOR ONE THOUSAND POUNDS OF OLD CLOTHING.

North Platte is again called upon to take part in the relief of suffering in war stricken countries across the water. The Near East Relief Committee is collecting during this month shipments of clothing for Armenia and neighboring countries. Capt. A. W. Shilling, Chairman of the Lincoln County Committee has planned the drive for North Platte and has set the date for August 27 and 28. Through Mrs. Adda Turpie, Chairman of the North Platte Local Council of the Campfire Girls and Carl Hollman, Scout Executive of the Boy Scouts Local Council, Mr. Shilling is arranging to collect the clothing on these two days. Boy Scouts and Campfire Girls will canvass each of the ten districts into which the city will be divided and will collect suitable old clothing for the overseas shipment. This clothing will be taken to the Red Cross rooms in the Federal Building where it will be sorted, packed and labelled. It will then be sent to Omaha for inclusion in carload shipments to the Atlantic seaboard.

Postmaster Sturgis, who is custodian of the Federal building has offered the use of the rooms formerly used by some of the Red Cross Departments and the offer has been accepted.

The following are some of the kinds of useful clothing for the needy: coats, dresses, sweaters, skirts, blankets, overcoats, wool shirts, heavy hose, underwear, woolen gloves, boots and shoes, children's clothes of every sort.

The following are useless to the shivering: laces, silks, veils, chiffons, dresses, satin slippers, men's fin underwear, high-heeled shoes, straw and frame hats.

Citizens should go through their closets and wardrobes and have the clothes ready for the girls when they call. Remember the date, Friday August 27 and Saturday August 28. Or call Miss Kelly at the Red Cross headquarters or Mr. Shilling at the Weather Bureau.

Chautauqua Extra Good.

Cimera and his Czecho-Slovak Band gave a delightful concert at the Chautauqua last evening. The descriptive pieces, Custers Last Battle and The Hunt in the Forest proved very popular with the audience. Selections from Carmen were especially well rendered. Madame Cavarelli received an ovation as the vocal soloist. This concert alone was worth the price of the season ticket.

LOCAL AND PERSONAL

Miss Ruth Davidson has accepted a position at the W. J. O'Connor Store.

Mr. and Mrs. Jack McGraw returned Wednesday from Omaha.

Bags and purses, just received fine selection. C. M. Austin. 84 65

Prosperity From The Soil

America must never sacrifice agriculture to industry.

To turn the nation into a vast network of factories at the expense of the farms would force importation of food upon a scale which other nations could not hope to meet.

The farm feeds us and feeds our industries. The farmer is a foremost citizen. He is recognized as such by this bank and every service is extended to him as readily as to another business man.
