DANIEL W. BESACK.

Daniel Webster Besack was born in the state of New York, April 16, 1851 and died at his home in North Platte Sept. 10, 1920, aged 69 years, 4 months and 24 days.

When a baby his parents moved in Indiana where they resided for a few years and then moved to Newton, Ia., where Daniel spent his boyhood days. He was married Oct. 7, 1871 to Miss Rebecca Dunagan. The same year he brought his bride to Nebraska, settling on a homestead in Fillmore County, near Grafton. Then they moved to Belvedere where he helped organize Thayer County. In 1883 they came to North Platte where they have lived for a third of a century. Mr. Besack early started in the livery business and only dropped out when his age and failing health compelled him to retire.

Besides his wife he leaves one son, D. W. Besack, Jr., who with his family lives in the same block. Three sons, Benjamin, Clifford and William preceded their father.

D. W. Besack with his wife joined the Methodist Church under the pastorate of Rev. A. J. Clifton with whom he formed a lasting personal friendship. He was an official in the church and for years took a leading place in all of its activities. Until very recently he was a member of the church choir.

Let Us Tell You a Few Things About

OUR STORE

We have a drug store and we believe it is a snappy drug store, though we are continually trying to better it. But we have a few lines that are found in other stores in a more or less complete condition. In ours—if you will pardon me for being so "chesty"—very much complete.

1. Our Candy Department

In it we have Woodward-Johnson's box goods in profusion, all fresh. A box to take to the best girl—to take home—or give to a friend—any kind, any price and quality of the best. Also bulk chocolates, both milk coated and dark. Then a big line of hard goods, and let me impress it upon you—the best of the kind.

2. Fountain Pens

We offer you among others—the Parker "Lucky Curve"—picked out by

us from all the makes as the one best bet. And we can prove it to you. We have for your choice over a hundred in stock at all times and can fit your hand as well as your purse.

3. Our Shaving Goods Dept.

Razors of all kinds, Gem, Eveready, Gillette, Auto-Strop, Durham-Duplex and Litt in the safety kind—Shumate guaranteed in the straight, Mugs, brushes, soaps, creams, lotions, talcums, stiptic pencils, strops, hones, mirrors, everything for a clean shave.
