One of the attractions at the banquet given to President Gray and the other Union Pacific officials, last Monday night was a Night-Blooming Cereus. The plant was secured from the North Platte Floral Co. and four or five elegant blossoms appeared during the banquet. The plant was later transferred to the show window of the Derryberry & Forbes store.

SALARIES OF OUR TEACHERS

THERE IS NO SHORTAGE OF TEACHERS WHEN GOOD SALARIES ARE PAID.

North Platte schools are paying better salaries this year than ever before and yet the Board of Education is not paying enough to its teachers. In order that the patrons of the schools may know what is being paid, we have secured a copy of the salary roll and herewith present a summary—

The Superintendent received \$3,200; the Senior High School Principal \$2,250; the Junior High School Principal \$1,800; two men teachers receive \$2,000; one teacher receives \$1,700; two at \$1,250; eighteen at \$1,500; two at \$1,450; nineteen at \$1,250; nine at \$1,100 and one at \$900. The last named is doing supply work for the first semester only. All salaries are on the basis of twelve monthly payments and represent the remuneration for the year.

The salaries of regular teachers depend on the preparation and service. Special teachers are secured at reasonable salaries, each being selected on account of his or her special fitness for the place and each is paid a salary adequate for the preparation and fitness. During the war the shortage was caused by the demands of the government for trained women in its service but since the war, the troubles of the North Platte Board of Education in the matter of teacher shortage were caused by low salaries. Now that more money is available, the Board has wisely decided to spend it in paying more to its teacher employees.

UNION PACIFIC PAY ROLL

In his talk at the banquet Monday evening, Mr. Bare had expected to mention the monthly pay-roll of the Union Pacific but questioned the propriety of doing so at that time. However he says he learned from the local officials that the total disbursement at this terminal for the month of September was a little in excess of three hundred thousand dollars. This is equivalent to distributing twenty-nine dollars to each man, woman and child in North Platte. September, was of course, a big month, larger than the average month, but business in this old world must become very stagnant to reduce the Union Pacific payroll at North Platte to less than \$200,000 per month.

HONORED GUESTS AT RECEPTION

Rev. and Mrs. R. O. Macdintosh and son John were the honored guests at a reception given Wednesday in the Episcopal church basement. The program consisted of music by Miss Zella Dorrain and Robert Dickey, a solo by Miss Helen Bonner, a reading by Miss Adele LeDioyt, and a solo by Mrs. Shriver. J. Q. Wilcox gave the farewell address and presented them with a beautiful service of silver as a token of appreciation of what their pastor had done for them. A lunch was served by the Ladies Guild at the close of the program.

HEHSHEY S. WELCH,
Water Commissioner.

Staring him in the face was a pearl-handled twenty-two in the trembling hands of a decidedly pretty girl. Forgetting that she had the drop on him, Jim Benton doubled up with laughter and though he did not know it at the time, he was pierced through the heart. Not by a bullet from the twenty-two—Oh, No—but by one of Cupid's fatal darts. If you want to know the rest come to the Crystal Saturday of Monday and see Roy Stewart as Jim Benton.

Owing to the financial condition of the North Platte Country Club, the Fromer Medal Contest has been postponed as it was impossible to get suitable prizes. There is a Class Club contest to be held, which will start Sunday, October 17th. This is to be held without entrance fee. Pairs will be selected and posted in the window of Newton's store.

The United States Civil Service Commission announces an examination for rural carrier at Brady and Ingham, to be held at North Platte, Nov. 13th. Full details can be secured by addressing the Postmaster at North Platte.
