LOCAL AND PERSONAL

You should see the new Silk Petticoats at Wilcox's. Mr. and Mrs. Walter Gilchrist left Wednesday for Omaha. Don't forget Tues. and Wed. at the Sun. Constance Talmage, in Search of a Sinner.

Little Maurine Yates, who was bitten by a bull dog Friday, is getting along nicely. Misses Adele LeDoyt and Emma Bogue arrived home Monday evening from Omaha and Lincoln where they attended the foot-ball games.

Dr. Howard Yost, Dentist, Twinem Building. Phone 907. The Nebraska State Farm Bureau has announced that it considers 5 or 7 cents a bushel as a fair price for husking corn this year.

The dates set for the meetings of organized agriculture at Lincoln are January 3 to 7. A number of farmers and stock raisers from Lincoln and adjoining counties attend these meetings each winter.

185 audiences tried it this way

MOST people know that the musical enjoyment which they get out of a phonograph depends upon one thing. That thing is the phonograph's realism.

This picture shows the best way to test a phonograph's realism. Miss Betsy Lane Shepherd, the famous soprano, is standing beside the New Edison, and singing in direct comparison with the New Edison's RE-CREATION of her voice.

185 audiences, aggregating more than 100,000 people, have actually heard this comparison. None could distinguish between her living voice and its RE-CREATION.

This is one of the phenomenal records of realism. The New Edison holds all other records of realism, too, because no other phonograph attempts this comparison-test—or could sustain it.

The **NEW EDISON**
 "The Phonograph with a Soul"

You try it this way

—the way we use in our store!—the Realism Test! Test the New Edison's Realism against the pleasure you know music can bring.

Tell us what kind of voice or instrument gives you truest musical enjoyment. Listen while we play your favorite on the New Edison. The Realism Test will enable you to gauge whether the New Edison's RE-CREATION gives you all of this enjoyment.

This is your test! It will help you determine what the New Edison's Realism means, in terms of your own musical enjoyment.

Ask for it! The "Personal Favorites" Realism Test.

Another thing to ask about is our Budget Plan. It disposes of the mopey question, in a way that will appeal to your common-sense and to your pocketbook.
