BREEDERS OF PURE BRED CATTLE FORM HEREFORD ASSOCIATION

A number of breeders of blooded cattle met in the directors room of the Platte Valley Bank last Thursday and organized the Lincoln County Hereford Breeder's Association. The following is the account of the meeting as it appears in the American Hereford Journal, published in Kansas City:

North Platte is a beautiful city of 10,000 population, is located in the center of Lincoln Co. and is the County seat. It has the very best railroad facilities, and is one of the liveliest cities in the west. Altho North Platte is a railroad center, every citizen is closely connected with the live stock interests, and there are a great many old time cattle men retired there.

The Organization will be known as the Lincoln County Hereford Breeders Ass'n and the first annual sale will be held some time in the latter part of March or the fore part of April.

A move is already on foot for the erection of a Sales Pavilion which will be completed in time for the spring sale.

Away out in the "Cow Country" of Western Nebraska in Lincoln County, at North Platte, Buffalo Bill's Old Home, was organized the Lincoln County Hereford Breeder's Ass'n on Oct. 21st, 1920.

Lincoln County already boasts of fifty pure bred Hereford breeders and the new organization contemplates increasing this to 100 before spring.

Lincoln County is a large county, in fact it is the second largest in the State. It is more than fifty miles square and is covered with luxuriant growth of native grasses, and the bluffs and canyons afford good winter protection for live stock.

The County is traversed by the famous Platte River, the valley averages about 10 miles wide, and here is the home of alfalfa and wild hay. Probably no other place in the world can boast of as much in such a small area.

Members elected to office were: T. S. McCrone, North Platte, president; John Griffith, Maxwell, treasurer and Arthur Gaudreault, manager and secretary.

Board of directors: S. J. Koch, Hershey; Fred McClymont, North Platte; John Griffith, Maxwell, H. Kerr, Maxwell; Chas. Liston, Dickens.

A board of three has been elected for inspection of sale cattle: S. J. Koch, Hershey; Neils Ingman, Brady and Jas. Shoup, Sutherland.

The article was signed by Arthur Gaudreault, Brady, Neb.

SUGGESTS SANITATION MEASURE!

At the luncheon of the Rotarians yesterday Dr. T. J. Kerr spoke on the subject of sanitation and public health in which he recommended that the city refuse dump be moved to a point on the river bank below the Lincoln Highway bridge and the inauguration of an incineration plant; suggested that all property owners be required to screen the doors and windows of their buildings to avoid the carrying of disease by flies, that all low places within the city limits which become filled with stagnant water be filled, and that greater attention be paid to cutting weeds and thus lessen the prevalence of hay fever. Dr. Kerr also suggested that more attention be directed during the summer months to keeping back yards and alleys clean.

Mrs. Josephine Martin who has been visiting for several days in Ogallala arrived home yesterday.

Mrs. Frank Coker and daughter of Sutherland were business visitors in the city yesterday.

The Fairview Dairy to be sold at Public Auction, Nov. 4th.

This place is an ideal Dairy Farm, nearly all necessary improvements being located, next to city limits. Land all under irrigation. Produce a good crop of beets this year and will be in good shape for alfalfa next spring. This place will no doubt be worth twice its present value in a short time on account of location. For terms see Owner or Mr. Pielsticker at Platte Valley State Bank. Come and look over the place before sale.

THEO. MEYERS, Owner.
