**TO VOTERS**

Public offices should be filled by individuals who are patriotic and loyal to the government under which they are seeking office and who are now and who at all times have been one hundred per cent Americans and unquestionably patriotic and loyal to the Government of the United States.

Persons who have not been one hundred per cent Americans and unquestionably patriotic and loyal should not be entitled to hold public office and at the coming election there is a candidate who is seeking an office who has shown himself not to be a hundred per cent American and unquestionably patriotic. That person is James C. Calhoun, who is a candidate for County Judge of Lincoln County, Nebraska, and his record as to being patriotic and loyal to the government of the United States in the past is as follows:

Mr. Calhoun was called before the chairman of the Council of Defense of Lincoln County to answer for his activities in opposing the sale of war saving stamps which was for the purpose of raising funds to conduct the war.

He was called upon by the Home Guards of North Platte and compelled to buy liberty bonds in one of the liberty bond drives.

Such a man who has conducted himself as Mr. Calhoun has should not be permitted to hold public office.
