

# GREAT RECONSTRUCTION SALE

of Clothing, Hats, Shoes and Furnishings

Begins

## FRIDAY, OCTOBER 29<sup>TH</sup>

This is a sale you can't afford to miss. While some commodities have reached a low price level--and while "wise" ones predict a general slump in everything--we fail to see anyway in which a general low price level can be reached as long as the prices of labor and transportation remain the same as they stand today.

On some of our lines a few lower prices have been made on next spring's goods, but on many other lines prices are soaring daily and hourly. No man can tell what the future holds, and with the radical reductions offered here we repeat that this is a sale you can't afford to miss.

We are not going out of business but are going to start anew for Spring- let future prices be what they may. Therefore beginning Friday morning, Oct. 29th. we take our loss and offer unrestricted choice of this wonderful assortment of High Grade Wearing Apparel for men and boys at bonafide reductions of
