WELFARE BOARD NEEDS VOLUNTEER HELPERS TO CARE FOR CHILDREN.

A need has arisen in North Platte for some good people to offer their services to the Welfare Board. Occasionally children are taken in hand by the officers of the Board and sometimes an interval elapses between the time the children are taken over and the time they are properly located. Such children should be placed in a good home for care. Mrs. H. R. McMichael is in charge of this work and anyone who could arrange to meet such an emergency should notify her so she could count on them.

In order to reduce my large stock of high class millinery I will make some startling cuts in prices beginning Nov. 6th. There will be no approvals or charges. Villa Whitaker Block's, Second Floor.

Mr. and Mrs. Smith, who manage the U. P. Hotel, and children passed through here Thursday morning en route to Colorado where they will bury the latter's mother who died the first of the week, following an operation at the Mayo Brothers Hospital.

Guy Johnson, formerly of this city who has been very ill for sometime, writes us that he has been released from the Twin Falls Hospital and has been transferred to the Boise Government Hospital where he will again undergo treatment.

Mr. and Mrs. Holmer Peterson, returned Wednesday from their wedding trip to California and are guests at the P. M. Sorenson home. They will leave tomorrow for Fremont to visit at the home of the former's parents for a few days and will return here the first of the week where they will reside in the future. Mrs. Peterson was formerly Miss Elizabeth Weir.
