NEW OWNERS FOR STAR CAFE

EXPERIENCED RESTAURANT MEN PURCHASE THE STAR CAFE.

The Star Cafe at 202 E. Front St. has been purchased by Collins and Callos. This restaurant has recently been managed by Lantz and Paulson from whom Messers Collins and Callos made the purchase. The new firm is composed of James Collins, who has been in the restaurant business in McCook, Nebr., and Wm. Callos who comes from Holdrege. Both men are experienced in this business and come here to make the Star Cafe an up-to-date eating place. When seen today, Mr. Callos told The Tribune man that he was going to place some additional equipment in the dining room and replace some of the poorer dishes and cutlery by modern equipment. He stated that Messers Lantz and Paulson had turned over the business to the new management on Nov. 10th and that the indebtedness of the new management started on that date while all bills against the Star Cafe which were contracted before that date should be presented to Lantz and Paulson. We welcome the new firm to North Platte business circles and assure them that North Platte is strong on good eats and her people will not be long in finding out a good place to dine.

In the recent election, the names of candidates for County Judge were placed on the non-partisan ballot with the names of candidates for other judicial places. Judge Woodhurst received 2512 votes in Lincoln county and J. M. Calhoun received 2137. Mr. Woodhurst's majority was thus 375.

JEWELRY STORE MOVES TO NEW LOCATION.

C. M. Austin has moved his jewelry store from the corner of Front and Dewey to the room in the Keith Theatre building recently vacated by the Walker Music Co. The change was made yesterday and although Mr. Austin is far from being settled in his new location, he is doing business there today. The room has been redecorated and new fixtures have been added. The larger quarters enables him to display his stock to better advantage and the customer can select from that stock without the confusion which comes from crowding. By this move Mr. Austin has secured a more favorable location for his jewelry business and he will be able to take care of his patrons in better shape.

RED CROSS BOLL CALL IS MEETING WITH SUCCESS SO FAR.

The Annual enrollment of members of the American Red Cross is progressing as well as was anticipated according to Mrs. J. F. Clabaugh, Chairman for Lincoln County. North Platte is doing well considering the bad weather. Maxwell is all sold out and has asked for additional supplies. Other places have good committees and are at work. Last year almost 3,000 members were enrolled in Lincoln County. "We hope to equal the number enrolled last year," said Mrs. Clabaugh yesterday when seen by a Tribune representative. "but it will require some hard work before the closing date if we enroll as many as we did last year." Solicitors are being stationed in the Post Office lobby and in the lobbies of the different banks here and everyone not wearing a 1921 badge is solicited.

PAVING RESIDENCE STREETS IS POSTPONED FOR SIX MONTHS.

The meeting of property holders which was called for Friday afternoon was attended by about fifty people. After a thorough discussion of the subject it was decided that prices are too high at present and it was the opinion of the taxpayers present that the matter should be postponed for six months when bids could be asked for again if it is thought advisable. The Council met later and after discussing the matter thoroughly accepted the bid of the Allied Contractors by a vote of 4 to 3. The Mayor announced his intention of vetoing the measure. So it is probably settled that nothing will be done about the paving of residence streets until next year.

The Eastern Star Kensington will meet Wednesday afternoon at the Masonic Hall. A short program has been arranged. All members are requested to be present.
