### "Remodeling Her Husband"

A "sizzling" woman story that's an ace high hit with the men. A story that is full of laughs and also full of truth. You know a lot of these husbands need remodeling.

#### SECRETARY CAREY CALLS THE SPORTING EDITOR OF THE BEE FOR NEGLECT.

The following is a copy of a letter sent to Ralph Wagner, Sporting Editor of the Bee yesterday. Mr. Wagner made up his All-State team and published it in the Sunday Bee.

November 29, 1920.

Mr. Ralph Wagner, Sporting Editor, Omaha Bee, Omaha, Nebraska.

Dear Sir:

It is of great surprise that I note your selections for the first and second all state teams and also men listed for honorable mention. As a Western Conference Official and having seen most of the teams in action in the state, having worked a great number of the High School games, in all fairness I believe that the North Platte team should have at least one man on the list of the first and second teams. You have tried no doubt, to pick the men according to the reports but we do not see why North Platte should be entirely ignored, inasmuch as they have defeated all comers with the exception of Lincoln.

The Captain of the local High School team, Mr. Adams, is in my opinion every bit as good as the men you have listed for half-backs with the possible exception of Mr. Mahoney, and I believe that he is a better man on defense than Mr. Mahoney. The local team has defeated such teams as Scott's Bluff, Creighton High, Grand Island, Kearney and lost only one game, a seven point game to Lincoln. It seems rather strange in giving honorable mention to teams all over the state, that North Platte has been ignored.

We are not at all satisfied with the service we get from the Bee in the news items that are sent you at the same time they are the other papers. I have written your circulation Manager previous to this and asked him to take the matter up with the proper people, but he has never given me the courtesy of a reply, so I am today taking the matter up direct with Mr. Updyke, who as Publisher of the Bee and a member of the Nebraska Chamber of Commerce will no doubt be able to bring this matter to his attention. Inasmuch as the Bee's circulation in North Platte is over eight hundred daily, we do not feel very kindly towards your outfit in the way we have been used. We would like to have a reply to this if you please.

Yours very truly,  
North Platte Chamber of Commerce.  
By GEO. CAREY, Sec.

#### LINCOLN COUNTY WHEAT GROWERS' ASSOCIATION FORMED SATURDAY.

The meeting called for the Court House on Saturday, November 27th, was held as announced. J. W. Reynolds, of Lyons, Kansas, opened the meeting and announced the plan as outlined by the Nebraska Wheat Growers' Association. He stated the object of the association to be "from time to time to inquire into the cost of production and marketing wheat and securing a fair wage and a reasonable profit therefor." He said the Association was non-political and non-sectarian. It is to work for the abolition of the Boards of Trade in this country which they say sets the price of wheat for the farmers. Locals are to be organized in all parts of the County as soon as plans can be made. J. H. Edmisten was elected President and Warren Doglitt was made Secretary. A Board of Directors will be selected in the near future. Each member of the Lincoln County Association will pay \$2.50 a year. Five cents of this amount is retained by the local organization, 20 cents by the Lincoln County Association. \$1.25 goes to the work of the state office and one dollar pays for a one year subscription to the Wheat Growers' Journal.

"The best Dorothy Gish picture in months," that's what they are saying about "Remodeling Her Husband." It's one of those matrimonial comedies in which the man gets the worst of it. The women will eat it alive. And the men will like Dorothy Gish in this one, too, for she has a mind of her own and lots of originality. Crystal tonight and tomorrow with a mighty good comedy.
