JOHN E. EVANS.

John E. Evans was born in Pennsylvania, November 7, 1847, and died at North Platte, Nebraska, December 27, 1920, aged 73 years, 1 month and 20 days. When he was but a boy his parents moved to Wisconsin and it was here he attended school and later volunteered for the Civil War, enlisting in the First Wisconsin Cavalry. He served until the end and was with his regiment when it captured Jefferson Davis. Following his discharge, he like many other war veterans, went west, first going to Salt Lake City. In the next few years he spent most of his time in Utah, Montana, Idaho and Oregon where he prospected, mined and worked on ranches.

In 1871 he came to North Platte where he has resided continuously for over fifty years. In 1881 he married Mrs. Marion Hall who survives him. They have one son, Everett H. Evans, who has been the junior member of the law firm of Evans and Evans for a number of years.

Mr. Evans was a Republican and was active in the movements of that party during his long residence here. He has been honored by the party in election and appointment to places of responsibility and trust and has filled each with credit. He has been Postmaster, County Clerk, County Judge, Clerk of the District Court, Deputy Secretary of State, Representative in the Legislature of Nebraska and Register of the United States Land Office. He was a member of the Grand Army

of the Republic, the Independent Order of Odd Fellows and the Benevolent and Protective Order of Elks.

In this county he had probably a wider acquaintance than any other man. The old settlers all knew John Evans. While he always stated plainly just where he stood on public questions he did not make enemies and everyone honored him. He was strongly patriotic and was especially active in upholding the flag. John Evans will be missed by many people who loved him as a friend.
