

GIFTS THAT LAST

CLINTON, THE JEWELER
WHO BUYS YOUR PRODUCT?

No matter if you are a farmer selling crops, a worker in a factory, mine, railroad, store, etc., selling your labor—somebody else must buy what you have to sell, or you lose.

WHO IS THE BUYER BUT YOURSELF?

You consume food, wool, cotton, which the farmer raises; clothing, shoes, stoves, coal, furniture, etc., which some of you produce.

How can you keep on working unless you keep on buying?
YOU CAN'T.

Do not buy what you do not need—that's extravagant and wasteful. But keep on buying what you need now—or the man who would buy the things you depend on for a living cannot buy. Each helps the other. Are you doing your share?

Keep on buying carefully but **NOW.**
