**OUR CHOIR**

The choir is often called "the war-department" of the church. We think it is erroneously so-called. Our choir is peaceable, kind, cheerful, courteous. It delights in service. It enjoys the privilege of helping in the worship of God.

Our choir is a volunteer choir. The members sing because they feel it is one way in which they can serve God. They give their time freely, gladly. Chorister, organist, choir-members pastor all work together harmoniously with but one end in view—"A more beautiful and worshipful service."

Our special numbers are only the best sacred music. We are sure you will enjoy the work of the choir. We are happy to make this public recognition of the work of our faithful choir.

If you are not a member of any church, COME to "The Church of the Open Door" next Sunday morning at eleven o'clock.

Special music by the choir.  
There is room for all.  
You will be heartily welcome.
