## Mutual Building & Loan Association of North Platte. INCORPORATED IN 1887.

Resources \$1,370,427.14.

SAFETY FIRST.

Investors in this association get the benefits of the following requirements of the laws of Nebraska under which it is operating:

First. The association is required to invest only in first mortgages on real estate or the stock of this associa-

Second. Such investments are non-negotiable and non-assignable, and can only be discharged by payment direct to the association. This is a very important protection not available to any financial institution except Building & Loan Associations.

Third. The association is subject to the supervision of the State Banking Board.

How well the interests of the investors in this association have been safeguarded is evidenced by the fact that in the more than thirty three years of its operation not one dollar has been lost.
