Manager H. J. Rathman, of the J. C. Penney Store, returned yesterday from the southern part of the County where he went after a man who gave him a fraudulent check. It is reported that the man went into the Penney Store, bought ten or twelve dollars worth of merchandise and offered a check for thirty dollars in payment. Cash was given to him for the difference. The check was worthless. At the same time a check for a like amount was passed out to the Platte Valley State Bank.

Mr. Rathman apprehended the man and had him placed in the local jail where charges will probably be filed against him this morning. This practice is too common during these times to allow it to pass unnoticed and swift and certain action should follow each discovered attempt.

## OUR CRITICS

"Woe unto you when all men shall speak well of you." Some criticisms are compliments. We then know we are standing for what is right. If the world found no fault with the church, it would show that the church was not standing her ground. The church expects criticism from certain quarters, certain elements, but such criticisms are not a reproach on the church. "A man's virtues are advertised by what his enemies say about him." The same is true of the church. Many of her worst critics are unwittingly paying her compliments.

The Church of Jesus Christ stands for what is BEST in the community. It believes in righteousness in the educational, business, social, civic and home life in the community. Her enemies may slander her, but the church moves on—the one outstanding guard of truth and righteousness in the world.

If you do not attend any church come to THE CHURCH OF THE OPEN DOOR next Sunday at either eleven or eight.

The robed choir will sing. There is room for all. You will be welcome.
