OLD FRIENDS

F. C. Pielaticker drove over from North Platte Tuesday on business and bringing with him his sister, Mrs. Jos. Seller, of Carroll, Ia., who is staying for a few days with her brother, John, just north of town. Mrs. Seller is the mother of Lawrence, at the Farmers' State Bank.—Wallace Winner.

A HOT SHOT

On the night of the inauguration there were six holdups in North Platte. Seems to us North Platte is having her share of excitement lately, but for us, let us stay in Hershey where they don't make the home-brew quite so strong.—Contributed.—Hershey Times.

PARK IMPROVEMENTS

Workmen have been engaged for more than a week on the improvements necessary to the building of West Park. The grading is practically completed, and this week other improvements were started. If work throughout this spring and early summer continues at the starting pace, we may be able to rejoice over the beauties of our new park before the advent of another winter.—Gothenburg Independent.

ODD FELLOWS BANQUET

When the dinner was finished Rev. Yeat. Toastmaster, introduced Attorney E. H. Evans of North Platte, who gave some very good work accomplished by the I. O. O. F., and the work which would necessarily fall upon its members in the future building of these United States. Not alone upon the Odd Fellows, but on all fraternal societies will this work fall and all are preparing for it. His talk was greatly appreciated by all.—Sutherland Courier.

RIGHT YOU ARE

Claude Delaney, well known in Gering as an employe of the Union Pacific, was in town a few days the first of the week. He states that Courier, as well as several other papers in the valley, were very much in error when they published the item concerning the poor health of Judge Grimes. He says that the statement was absolutely groundless, which fact all of the Judge's friends in the valley will be glad to know.—Gering Courier.

COUNTRY CLUB

Members of the Country Club met in the Chamber of Commerce hall on Tuesday night and transacted business. Election of officers resulted in the election of David Rankin president, J. B. Wood treasurer and H. T. Krier secretary.

The by-laws were amended to the effect that new members should pay \$15.00 as membership fees and dues for this year. Dues of members should be \$10.00.—Lexington Clipper-Citizen.

GOOD PLACE TO PROSPECT

The B. & O. Oil Co. suffered the loss of about fifteen hundred gallons of kerosene early Tuesday morning after some one had maliciously driven a rail road spike in the bottom of a storage tank located on the railroad right of way. A lake of oil around the tank caused the discovery of the leak and the tank was promptly plugged to save further loss. Too bad the perpetrator of such a criminal act cannot be landed behind the bars and kept there for a few years and then for some more years. Besides the loss of the oil company, the town under certain conditions would be threatened by the oil. A spark from a locomotive and with a strong west wind might have wiped out the town.—Brady Vindicator.

TELEPOST MOVES

Our Linograph arrived Monday at Paxton and a man will be on hand next week to set it up and give the editor instructions in using and caring for the machine. We expect to move the plant about Monday of next week and if all goes well next week's Telepost will be set, partly, if not entirely, upon the new machine. Beginning next week, Miss Mary Martin will be the local editor in charge. With the hearty cooperation of the people of this community, we believe that Miss Martin will be able to give to the readers of the Telepost a good newsy paper each week. We will contribute, through these columns, to the welfare and growth of Maxwell in the future as in the past, and endeavor at all times to render good service to all concerned.—Maxwell Telepost.

Charles **RAY** IN **Peaceful Valley**

You bet it's rube stuff! The scheming city guy who gets his claws on to the farm—the blue eyed country girl who elopes with him to the city—the rube brother who hikes out after her—and all the quaint old folks of Peaceful Valley—they're all in it! But isn't that the sort of a story in which you like Charlie Ray best, with the hick-humor, the sob and hefty wallop? Isn't it?

RUMOR UNTRUE

We are reliably informed by a man high up in the employ and confidence of the Union Pacific Railroad Company that there is no truth in the rumor that the shops and roundhouses are to be abandoned at this point. The fact that a high official went through town Sunday with his private coach hitched to a freight, does not indicate that the run is expected to be made permanently with no stop at Sidney. It is simply in keeping with the retrenchment that the railroad is making, since business has become too slack to operate without loss. The railroad is not laying off men, or laying off rolling stock, except for purposes of economy, just as every other business in the United States, big and little, has been cutting and slashing right and left in order to retrench.—Sidney Telegraph.

REALLY?
The Gothenburg high basketeers were very rudely jolted Thursday evening at North Platte, in the hands of the North Platte high school team and referee, by the score of 37 to 20.

Of course, it is usually considered customary for the losing team to blame the referee, for a defeat, but in this case when we read the box score we find that sixteen fouls are charged against the Gothenburg team and five against North Platte. However the Gothenburg followers were inclined to believe that their team was guilty of most of the number, and also they believe most emphatically that the North Platte team should have had at least five times as many fouls called on them to make a square game. Incidentally Gothenburg is not the only team to receive this treatment as Sidney and Shelton both report the same treatment.—Gothenburg Independent.

PRESIDENT GETS LETTER FROM HEAD OF ARMENIAN CHURCH

Washington.—Archbishop Khoren, whose archepiscopal see is Erivan, capital of the Armenian Republic, journeyed seven thousand miles to present President Wilson one of the quaintest and most touching documents in the archives of the State Department. It is illuminated by the monks of Echmiadzin, the seat of the Armenian church since its separation from the Greek church, after the Council of Chalcedon in the year 451.

The Encyclical Letter, which the Archbishop presented to the President, reads:

"GEORGE, Servant of Jesus Christ and by the Omnipotent Will of God, Arch-Priest and CATHOLICOS OF ALL THE ARMENIANS, Supreme Patriarch of the highest Armenian See of Ararat and of the Apostolic-Mother Church at Echmiadzin the Holy.

"To the NOBLE CITIZENS OF THE UNITED STATES OF AMERICA.

"AFFECTIONATE GREETINGS AND BLESSINGS FROM THE CATHOLICOS OF ALL ARMENIANS and Apostolic Chief of the Holy Church of Armenia.

"With placid, profound feelings of devotion, we desire, through this Encyclical Letter of Ours, to place before you and to make known to you the expression of Our deep gratitude for the liberal help which, inspired by a spirit of philanthropy, you have extended to Us both by individual personal donations and through the sustaining assistance and alleviating instrumentality of the Near East Relief Organization. Individually and Collectively, combined in one body as it were, you gave and you brought to Us the fruits of your offerings, to the salvation and protection of Our Flock during the most bitter days of their suffering—sufferings which We attribute to the rigours of the War of Liberation, and to the cruelty of Our implacable Oppressors.

ARCHBISHOP KHOREN.

In expressing Our thanks for your generosity and, for your evangelical commiseration, We, as the recognized Head of Our Spiritual Children, comprising the entire Armenian Nation, would be glad to view your acts of mercy as tokens of your continued assistance in the future, and that it is your purpose to continue to assist Us in Our regeneration and complete liberation, in the habilitation of a self-governing Nation. With these things in mind, We appeal to you all; to the Prelates of your Churches; to your devout Bishops, Our Brethren and beloved in Our Lord Jesus Christ; to men endowed with political and civil acumen; to those who have been called upon by the Lord in the Conduct of Public thought; and to every soul in which the spirit of Christian philanthropy glows. Come to our defense and to the cause of the Freedom of Our Flock. Come from the pulpits of your Churches; from the seats of your Council Chambers; from the platforms of Public Associations; from the sanctum of your Journals. Raise the mighty voices of your Nation and of your sympathetic people, as those of unflinching and unflinching friends. We need them for the salvation of Our Flock, tortured in body and soul through centuries of suffering. And Our people will forever stand in history as witness that a Great Nation, prolific of welfare, stretched its helping hand and mighty arm to raise them up.

"The Grace of Our Lord Jesus Christ, and Our thankful Blessings be with you all, evermore, Amen.

"GEORGE V.,
Catholicos and Supreme Patriarch of All Armenians."
During the VIII. year of Our Patriarchate at the Mother See of Ararat, Echmiadzin the Holy.

MAJOR GENERAL HARBORD SUPPORTS ARMENIA
New York.—At a mass meeting recently held here to consider the need of Armenia in the appalling disaster that has overtaken that unhappy land the following telegram was received from the commander of the Second Division:
"True to their religion, language and race through a thousand years of persecution, the Armenians must not be permitted to perish. Americans should aid them with moral, financial and political support."
