GEN. LEONARD WOOD MAKES APPEAL FOR NEAR EAST RELIEF

Says Two and a Half Million Starving Armenians Need Help at Once.

Ft. Sheridan, Ill.—Major General Leonard Wood, commanding the Sixth Corps Area, has issued a Lenten sacrifice appeal for funds to save the Armenians from annihilation by starvation and disease. "I feel that however many and however worthy the other appeals which are being made to the great heart of America these days may be," he says, "this cry from the little children cannot remain unanswered."
 The Near East Relief, 1 Madison Avenue, New York City, which has been charged by Congress with the American relief work in the whole Near East, has formed a special "Lenten Sacrifice Appeal Committee," of which Major General Wood is chairman, Charles V. Vickery secretary and Cleveland H. Dodge treasurer, to put before the American people the desperate need of the Christian populations of the Near East, who have suffered and are still suffering the horrors of war.

MAJ. GEN. LEONARD WOOD

Among the prominent members of General Wood's Committee are Secretary of the Treasury Andrew W. Mellon, Mrs. Corinne Roosevelt Robinson, sister of the late President Roosevelt; ex-President W. H. Taft, Mary Garden, President John Grier Hibben of Princeton University, Bishop-Elect William T. Manning of New York, Dr. Henry van Dyke, David Belasco, Samuel Gompers, Frank A. Munsey, Mrs. Carrie Chapman Catt, Mrs. Henry Morgenthau, John G. Milburn of the American Bar Association, Miss Elizabeth Marbury and Mrs. Medill McCormick of Chicago.

General Wood's Appeal As Chairman of a Special Committee of representative men and women of the country, charged with placing before the American people the desperate need of two and a half million Armenians, the remnant of the oldest Christian nation, whose sufferings through sixteen centuries seem to have brought them no nearer peace, liberty or security, I beg your personal co-operation and influence to forward an appeal for a Lenten Sacrifice Offering to enable the Near East Relief to go on with its work of mercy.

Over one hundred thousand little children who have been kept alive by American generosity for the past three years are absolutely dependent upon the support which America gives them through the Near East Relief.
 I feel that however many and however worthy the other appeals which are being made to the great heart of America these days may be, this cry from the little children of the land where Christ gave his life for mankind cannot remain unanswered.
 Will you help to save this martyred people?

Leonard Wood

PRESIDENT ENDORSES THE NEAR EAST RELIEF APPEAL

Washington.—President Harding has given his hearty endorsement to the appeal being made by Maj. Gen. Leonard Wood on behalf of the Near East Relief, 1 Madison Avenue, New York City, for a nation-wide Lenten Sacrifice Offering to save the starving Christians of the Near East.
 The President's letter reads: "There ought to be no cessation or relaxation of our sympathetic American efforts to be of service to these stricken people. One can well believe that they will not survive if we withdraw the relief which has heretofore been so generous from the private American purse. It has seemed to me that all we have done has borne dividends tenfold in the consciousness that we have done an humane thing for a people well deserving our generous sympathy."
 "I wish you the very greatest success in furthering the great relief movement to which you are now giving your attention."
 "WARREN G. HARDING."
