©1921, DAVID ADLER & SONS CO.

Pencil stripes are new. So are Club Checks and Herringbones. You will find these, together with solid colors, here in popular shades. Double-breasted models are good. Also single-breasted coats with snug waist line. The whole garment snug fitting with narrower lapels.

Come in and try on these new models. COLLEGIAN and other high grade makes. See how carefully each one is tailored to keep you looking your best. ALL-WOOL of course and prices now lower than for several seasons. We can sell you a good suit at \$20.00, others \$25, \$30, \$35, \$40 and \$45. OUR CLOTHES MUST MAKE GOOD OR WE WILL. Could you ask more?
