

VAUDEVILLE at the KEITH

The blase and seasoned Vaudeville lovers who remember names will read with pleasure the roster of the acts listed to appear at the Keith Theatre on Thursday next. They are acts that have played all the high class theatres in America and it is unusual to find them segregated on one bill. Gould and Russell, with their comedy patter, which closes with music will prove pleasurable. Campbell and Burgess start at the beach with scant attire in patter and close in more demure habiliment to a happy finish. Tom Branthford, internationally known as the "One-Man-End" is a laughing delight. Mad Miller and Company will prove a most astonishing surprise in many ways. This is a metropolitan show brought to your door.

HUMAN NATURE STORY

One of our friends told us yesterday about his boy. It seems the boy rides his bicycle on the sidewalk keeping a sharp lookout for a policeman under the impression that they will pinch him if they see him first. Sunday evening the family was together when the discussion turned on some question about the police and one member of the family explained to the mother that Kroehler is the new Chief, and that John Jones is now street commissioner. Son looked up rather disgustedly and said: "That accounts for me seeing Jones on the street so much this week. And every time I saw him I fought shy of that street because I thought he would pinch me."

EXCITEMENT IN ARTHUR COUNTY OVER SUSPECTED WIFE MURDER

Geo. N. Gibbs, County Attorney of Arthur County and Mrs. Wurtzle and Platt of this city made a trip to Arthur County Friday and made a post-mortem examination of the body of Mrs. Morse who was killed last Sunday by being dragged by a horse. Suspicion rested on the husband when he told of his trying to catch the horse by which the body of his wife was being dragged and that after three hours of fruitless chasing he went home and went to bed on account of the darkness. In going home he had to pass the house of a neighbor but he did not tell them that his wife was being dragged about the 640-acre field. At daybreak he sent word to the neighbor, who joined in the search. The wife and mother of his five children was found dead. Other circumstances pointed to foul play and Morse was arrested. The evidence is all circumstantial and based on the story told by Morse. The findings of the post-mortem was not revealed.

HOME CONTENT FOR DELEGATES TO THE DISTRICT

The declamatory contest which was held in the Auditorium Saturday evening, was a credit to the school and to the contestants. Mary Ellsworth won first honors in the Dramatic class with the selection, "The Littlest Rebel." Mildred Skinner won second honor in the Dramatic with the selection "Nicoletta." Louis Breternitz, the only entrant in the Oratorical class won first honors.

Elen Erickson won first honors in the Humorous class with the selection "A Pleasant Half Hour on the Beach."

Dorothy Elder took second honor in the Humorous with the selection "Caught Suzane Whistling." The judges were Miss Helen Thompson, Rev. Moore and M. E. Crosby.

The contestants winning first honors went to Cozad yesterday to attend the District contest which was held in that city last evening.

THREE PRESIDENTS ASK AID FOR CHINA

Harding, Wilson and Taft Appeal to Americans to Help Stricken Millions of Sister Republic.

The President and two ex-Presidents of the United States have joined, for the first time in the history of the country, in an appeal for a philanthropic enterprise. President Harding, ex-President Wilson and ex-President Taft are all in the forefront of the movement to send aid from America to the famine victims of China.

One of President Harding's first official acts after his inauguration, taken when he had been in the White House less than two weeks, was to renew the appeal made by his predecessor in behalf of America's sister republic in the East. President Harding said in part: "At this, the earliest practicable moment in my administration, I desire to add my own to the many appeals which have been issued heretofore in behalf of the starving people of a large section of China."

The picture of China's distress is so tragic that I am moved, therefore, to renew the appeal heretofore made and to express the hope that the American people will continue to contribute to this humanitarian cause as generously as they possibly can."

In appointing the American committee for China Famine Fund, with his own immediate predecessor in the White House, ex-President Taft, as one of the members, and Thomas V. Lamont of New York, as chairman, President Wilson said in his proclamation:

"Not only in the name of humanity, but in that of the friendliness which we feel for a great people in distress, I venture to ask that our citizens shall, even though the task of giving is not today a light one, respond as they can to this distant but appealing cry for help."

LIFE SAVING STAMPS HELP FAMINE VICTIMS

Each "Mercy" Sticker Purchased for Three Cents Provides Food for One Day for a Chinese.

Sales of "Life Saving Stamps" by the American Committee for China Famine Fund for the benefit of China famine victims have reached a total of thousands of dollars at the end of the first month, and already the money is actually saving lives in China. Orders during the first month aggregated more than 10,000,000 stamps, which will mean—at the rate of 3 cents for each stamp—\$300,000 for the Chinese when the complete returns have been made. The stamps are intended to secure a multitude of small contributions from persons who will not have an opportunity to contribute in other ways. The campaign for China is the greatest single philanthropic effort now before the American people.

Every state in the Union is now co-operating in the life saving stamp sales, and special committees are at work in more than 2,000 cities throughout the country. The circulation of the stamps is being effected by sales organizations composed of officers of the Woman's Foreign Missionary Societies, assisted by commercial organizations, schools, churches, Boy and Girl Scout Camps, Y. M. and Y. W. Christian Associations, fraternal lodges, hotel associations, boards of education and other volunteers interested in the movement to extend a helping hand to a sister republic in distress.

House to house canvassing for the sale of the stamps—which are intended to be placed on the backs of letters and packages—has proved the most effective method in the smaller communities. In the big cities the stamps have been sold to business houses, which are using them on their outgoing mail and packages. A nominal quota of ten stamps for every adult has been set by the committee, but in many centers this already has been passed. If unable to obtain stamps through a local committee write China Famine Fund Committee, Bible House, New York.

Mr. and Mrs. W. J. Hendy and Mr. and Mrs. J. E. Sebastian will entertain the Brotherhood and the men of the Lutheran Church at the Sebastian home 911 E. Second tomorrow evening. Phone 1138 and a chair will be reserved. Important business.

NOTICE TO BIDDERS

Sealed bids will be received by the City Council of the City of North Platte, Nebraska, at the office of O. E. Elder, City Clerk of said city up until 6 P.
