

## NEW BUSINESS OPENS DOORS

**QUARTERS ERECTED FOR FERGUSON STREITZ VULCANIZING CO. COMPLETED**

This week marks the opening of the new vulcanizing works in charge of Ferdinand Streit. A one story cement block building has been erected on the corner across the street north of the Mutual Building & Loan building. The room is large and airy and is used exclusively by Mr. Streit in his tire business. He has put in modern machinery for vulcanizing rubber and is prepared to take care of all tire needs which come to him. He is also agent for the General Tires and carries a good supply on hand at all times. Mr. Streit has engaged Victor Anderson to help him in this work and the two enter into the business life of North Platte with the determination to make a success if hard work and close attention to business will do it. When seen yesterday Mr. Streit said that prospects were fine. He said he had only opened up on Monday and yet had been kept busy so far this week with work ahead and more in sight. The Tribune man does not have anything but bicycle tire trouble and depends on John Null to help him out so does not know what the demand for vulcanizing here really is, but Ferdinand Streit can be depended upon to do as he says he will do and charge what is right and the Tribune is glad to extend its welcome into the business life of North Platte to the Ferd Streit Vulcanizing Co.

## WELL-KNOWN YOUNG BUSINESS MAN OF NORTH PLATTE IS MARRIED

A quiet wedding took place Wednesday at 11 o'clock in the Methodist church when Rev. H. E. Hess united in marriage Anna May Preston and Orville Springer before immediate relatives.

The bride was attired in a blue tulle gown with hat to match and carried a bouquet of pink sweet peas. The couple was unattended.

After the ceremony a wedding breakfast was served at the home of the bride's parents where a color scheme of pink and white was carried out.

Mrs. Springer is the daughter of Mr. and Mrs. Avery Duvall and has lately been employed at No. 2 of the Gamble with Springer chain of stores.

Mr. Springer is junior partner in Gamble with Springer Company and has many friends in the city.

The young people left Wednesday for a wedding trip to eastern points and will be at home to their friends after May 15th at 500 West Ninth street.

## KIWANIS CLUB UNDERTAKES BIG SOCIAL PROGRAM FOR LINCOLN COUNTY

Every man and woman in Lincoln County knows the state or nation in which he was born. Everyone has a tender feeling for the place of his birth be it county, state or nation. We each have a kindly feeling for the men and women who came from our home state.

The Kiwanis Club has the idea that this feeling can be used to make us happier and on the basis for a great deal of entertainment. So it has undertaken to promote the North Platte—Lincoln County Union of States and Nations. The idea of the Kiwanis Club is to have those Lincoln County people who were born in Indiana gather together and through the common feeling of pride in the place of their birth to renew memories of the past, show their loyalty to the hoosier state and give help and inspiration to each other. Then if the people of Ohio can be gotten together in the same way, they will get the same results. And so on with the people of other states and even of the nations. It is further suggested that if the people from Ohio and the people from Indiana could be gotten together at the same time it would make a proper setting for some interesting amusement and friendly rivalry. There could be picnics by states and nations, dances, field days, parades, ball games and ever so many other forms of amusement. It has been suggested that each of these groups could prepare a float for the Fourth of July parade and that at the County Fair each could take some part that would be enjoyable to themselves and entertaining to others. The idea has not yet been worked out in full but it is probable that the Kiwanians will proceed to get the most out of it and do that in the near future.

## WHITE ELEPHANT SALE TO OPEN TUESDAY AND CONTINUE FOR FIVE DAYS

Plans for the White Elephant Sale, which is to be put on next week by the Campfire Council, were discussed at the meeting of the council Wednesday evening. Those who have the matter in charge say the interest is increasing and that soliciting for the sale is a pleasure as people are responding generously. Through the courtesy of the Durbin Auto Co. the garage used for the auto show has been secured. The window will be used for a display on Saturday of this week. A survey of the contents of the window will be worth while.

Those in charge of the Sale are emphasizing the fact that one of the large departments of the sale will be that of bulbs, vines, trees, shrubs, plants and seeds. Generous contributions will be made by those who have such and it is expected that they will meet with a ready sale.

Miss Lillian McCracken returned to Boulder after visiting friends in the city.

Miss Gladys Henckle went to Chappell yesterday to visit friends.

## GOVERNOR HAS SIGNED THE BILL

**THE LEGISLATURE APPROPRIATES MONEY FOR WESTERN FISH HATCHERY**

According to advices received here this week House Bill 424 introduced jointly by E. S. Davis and others has passed both houses of the Legislature and the Governor has signed it. This bill provides that a sub-fish hatchery is to be established for the western part of the state, in either Lincoln or Garden Counties and appropriates \$10,000 for the same. The location is left to the Secretary of the Department of Agriculture. Since the bill does not carry the emergency clause, it does not go into effect until July 1, 1921.

Following is a copy of the bill.

HOUSE ROLL NO. 424  
For an Act to provide for the establishment of a state fish hatchery at some point in Lincoln or Garden county for the selection of a site and the management of such hatchery and to appropriate the sum of Ten thousand dollars for said purchase and expenses in connection with said hatchery for the biennium March 31, 1923.

Introduced by Representatives J. A. Rodman of Kimball, E. S. Davis of Lincoln county; Chas. S. Reed, W. M. Barbour, and Earl Hilliard.

Be it enacted by the People of the state of Nebraska:

Sec. 1. Within three months from the time this act becomes effective, the State Department of Agriculture shall examine suitable sites for a state fish hatchery in Lincoln and Garden counties and select a site for such hatchery from said counties. If terms satisfactory to said department shall be obtained for the selection of a suitable site, the same shall be purchased or otherwise acquired and shall be conveyed by warranty deed and abstract, approved of by the attorney general of the state.

Sec. 2. For all expenses connected with the acquisition of said fish hatchery and the necessary buildings and equipment for its use during the biennium ending March 31, 1923, there is hereby appropriated out of the general fund the sum of Ten thousand dollars or so much thereof as may be required.

Sec. 3. Payments from the amount herein appropriated shall be made according to law on vouchers approved by the Secretary of the Department of Agriculture.

By the terms of the bill the selection of the site is left to the Secretary of the State Board of Agriculture. The citizens of each county are expected to advance their claims for the site. The money does not become available until after July 1st.

## RECORD BREAKING CROWD OF FRIENDS ATTEND FUNERAL OF JUDGE GRIMES.

One of the largest crowds ever seen at a home funeral in North Platte gathered at 316 W. Second Wednesday to pay its respects to the memory of Judge Grimes. The house was filled and hundreds stood uncovered in the yard in spite of the chill north-west wind. Bishop Geo. A. Beecher conducted the services, being assisted by Rev. Henry Ives of Sidney and Rev. W. H. Moore of North Platte. Appropriate music was rendered by Messers Turpie Spiby, Birge and Munger with Mrs. Stamp as accompanist. In his address Bishop Beecher dwelt on the close relationship between Judge Grimes and his son Lee. He told of his own observation of this intimacy and drew a lesson for all fathers present, which reference will not be forgotten. He spoke from personal knowledge of the great heart of the man who was gone and declared every word he spoke was absolutely true, which those present already knew. The pall bearers were representatives of the bar of the district. J. G. Beecher and John J. Halligan represented the older attorneys while Jas. T. Keefe and E. H. Evans represented the younger men. Jas. C. McIntosh of Sidney represented the western end of the district while Geo. C. Gillan of Lexington represented the eastern end. The tributes of flowers from the different organizations to which the Judge had belonged, were especially elaborate and beautiful.

After the service a long line of waiting automobiles conveyed the sympathizing friends to the North Platte cemetery where burial took place with Bishop Beecher in charge.
