Rev. R. O. Mackintosh, formerly rector of the Episcopal church here, was the principal speaker at the Rotary Club dinner Monday. He was one of the charter members of the club and was warmly welcomed by his former associates. He told of the wonderful development of Texas and gave a vivid description of the climate and industries of the Rio Grande country where he is now located. Business conditions over the whole country were compared to a ship at anchor. The ship has tremendous power and is loaded but until conditions become more favorable it will not start. So business is at a standstill in most places, just waiting for more favorable conditions. He was very certain that the delay would not be long.

Attention is called to the fact that the "Clean Up and Paint Up" campaigns have been very useful features in reducing the causes and number of fires. Cleaning up is a great thing for a city or town or for a home. It is astonishing how the odds and ends accumulate into masses of rubbish and when a lot of places in a town show such accumulations the sum total becomes something tremendous. Also, it becomes something pregnant with possibilities of evil. In a serious fire anywhere a lot of rubbish lying around in the vicinity means a lot of hot work for the firemen and very likely means the destruction of a number of homes that otherwise might have escaped. It pays every owner of a home—no matter how sore he may be on his landlord to clean up about his place every spring and fall. There is always activity for the firemen in these seasons, and there is bound to be more than is necessary if there is a mass of rubbish around for the kiddies to set on fire or to catch in the event of a big blaze starting in the neighborhood. Chief Daley of the Brockton fire department is showing the worth of this phase of the campaign, as instituted by the Chamber of Commerce. — Brockton (Mass.) Enterprise.

The three-act comedy "Oh! Daddy," given by the pupils of the Junior High School on Friday and Saturday nights was a big success. The pupils showed surprising ability and the large crowds on both nights, showed their appreciation by giving them hearty applause and freely expressing their approval of their efforts. OBITUARY

Mark K. Graham was born in the state of Pennsylvania September 17, 1848, and died at North Platte, Neb., April 21, having sojourned on earth 72 years, 7 months and 4 days.

When Mr. Graham was a lad of fourteen he came to Iowa, where he grew to manhood's estate. He was married at the age of 27 to Miss Georgia Anna Donaldson of Brooklyn, Iowa on December 29th, 1876. To this union seven children were born. One died in infancy and another died at the age of 32 years.

In 1878 the Grahams came to Lincoln County, Nebr. and have remained here since. Therefore his death marks the passing of another of the pioneers of south Lincoln county. Here the family was reared and married. The eldest son, Charles, is now living in Kansas City, Kansas. Harry lives at Big-nell, Mrs. Maude Kenney at Sheridan, Wyoming. Mrs. Lillian Guillaume at North Platte and Mrs. Daisy Burton at Sterling, Colorado.

Thirty-two years ago Mr. Graham was converted and united with the Free Methodist Church of Wellfleet and has remained steadfast in that relation till the close of life's day.

Last July Brother Graham suffered a stroke of paralysis but was soon able to be about the home and a few times went down town. On the 23rd day of December the second stroke came and he was left in a critical condition. The third and last stroke came on April 15th and he peacefully passed away on the morning of the twenty-first. Funeral services were held from the Baptist church at Wellfleet Saturday afternoon, April 23d. Rev. Farrar preaching from Ps. 116: 15, and interment was made in the Wellfleet cemetery. During his long illness all that a devoted wife and children could do was done for him. The sons and daughters came faithfully and did their share. Neighbors and friends took turns in caring for him and for several weeks he was in a hospital. But all that was done only availed for a short time for he heard the summons "Child come home."—Contributed.
