EDITORIAL

North Platte now has three full-fledged bands. Each has a complete organization of its own. The Chamber of Commerce Band is the ranking organization as it has been organized many years and its players are more expert. Earl Stamp is the leader. The High School Cadet Band is composed of students in the North Platte High School most of whom have been playing band instruments about a year and a half. Chas. J. Killian is leader and organized the boys. The Ladies' Band is the newest organization and is directed by Earl Stamp. The total membership of the three bands is about ninety.

We have just received a copy of the 1921 year book of the Travelers Insurance Co. of Hartford. It shows the organization of the executive department, the financial statement, and a schedule of the securities held as investment by the company. The Travelers increased its assets over twenty-seven millions last year in spite of the less favorable business conditions. This is one of the strong companies which are represented in North Platte and which enable our citizens to get adequate insurance of all kinds through local representatives.

Mrs. Donald Clabaugh came Wednesday from Denver to visit at the J. F. Clabaugh home for a few days. The fire companies were called last night to the home of the Mathers at 21 E. Table decorations were sweet peas and a color scheme of pink was carried out. Cars were laid for sixteen. There will be a special meeting of the City Council tonight to consider the matter of power for the new pumps at the waterworks. The question is whether it would be cheaper to use electric power from the North Platte Light & Power Co. or to put in the machinery and make power for the use of the city.

Supt. Aileen G. Cochran has called our attention to the fact that the school patrons who live at least half a mile closer to a school house in an adjoining district may have their school privileges transferred by making application to her office before June first.

Mrs. P. Becker and daughter Anna entertained at a quilting Wednesday afternoon in honor of Mrs. J. Thompson who will leave shortly for California and Mrs. Arthur Know who will leave soon for England. Dainty refreshments were served. Covers were laid for fourteen.
