FIRST BAND CONCERT OF THE SEASON DRAWS AN ENORMOUS CROWD.

Tuesday evening at Court house Park the Chamber of Commerce Band rendered a program as part of the entertainment extended to the visiting Eastern Stars, by citizens of North Platte. It was a beautiful evening and the band music counted well. A big crowd gathered on the lawn and enjoyed the program. A cornet solo by Director Stamp and a song by the American Legion Male Quartet were the special numbers. Pique Dante Overture (Suppe) was the most ambitious selection rendered by the band and it was well received. It is proposed to start the regular summer series of concerts shortly after the first of June.

THANKS THE PUBLIC

The committee having in charge the entertainment of delegates to the O. E. S. Convention extends its thanks to North Platte people for so generously offering to accommodate the visitors with sleeping apartments. These offers were largely in excess of the needs; in fact 240 more visitors could have been taken care of in private homes than applied. It was impossible for the committee to ascertain just how many people would come; the number of delegates was known, but not the number of visitors, and it was deemed best to play safe and have more rooms than needed rather than less. To those who prepared rooms and were called upon, the committee is sorry that disappointment occurred, but to those and all others sincere thanks are extended and their hospitality is fully appreciated.
