NORTH PLATTE, NEB., JUNE 3, 1921.

No. 42

## BOOSTER TRIP THIS MONTH

THE CHAMBER OF COMMERCE TO MAKE TRIP THROUGH NEIGHBORING TERRITORY.

A big delegation of automobiles will leave North Platte on the morning of June 22 for an all day trip through the central and southern parts of this county. The Chamber of Commerce Band has been engaged and it is possible that another band will accompany the boosters. According to the plans announced this week the trip will start at 7 o'clock in the morning. It is planned to reach Maxwell by 8 o'clock and after half an hour journey on to Brady. Leaving there after a half-hour stop they expect to reach Gothenburg by 10 and stay half an hour at that place. Then the course turns south to Farnam which they expect to reach by noon and there they will take dinner. Half hour stops will be made at Moorefield, Curtis, Maywood, Wellfleet, Dickens and Wallace. It probably will be eight o'clock before they leave Wallace as they take supper there. Traveling north they will reach Sutherland and after half an hour at that place and at Hershey the bunch will each home at about midnight. The objects of the trip are many, chief among them being that the North Platte men may make the acquaintance of this territory and come to know the people who live there. Then it is the desire of the promoters that the people of these parts of the country may meet the men of North Platte and get acquainted with them. It is also expected that the autos will advertise the County Fair and the Fourth of July celebration at North Platte. Secretary Bare is making the plans for a fine trip and if the weather is with him the day will be one long to be remembered.

Mr. and Mrs. Christ Adams returned to Ogalalla this morning.

## MEMORIAL DAY WAS CELEBRATED AT FORT McPHERSON CEMETERY.

One of the largest gatherings in years attended the celebration of Memorial Day at Fort McPherson last Monday. Dark clouds threatened rain throughout the day but none fell. In the forenoon the graves were decorated by the ex-service men and in the afternoon flowers contributed by the North Platte D. A. R. were distributed by Boy Scouts. The D. A. R. represented by Mrs. Hinman made a spectacular flight over the cemetery and scattered flowers. C. H. Weldner, Supt. of the Cemetery, delivered the Memorial address, which was followed by an address by Mrs. Charles Spencer of North Platte, State Regent of the D. A. R. Special music was rendered by a quartet composed of Rev. P. J. Rushlau, Bruce Brown and Herman and Herman Kerr. Rev. P. J. Rushlau of Brady offered invocation and prayer.

Fort McPherson Post of the American Legion in charge of H. R. Olson, Post Commander, conducted the ceremonial work prescribed for the Legion for such occasions. Mr. Olson also acted as general chairman for the day.

## IMPRESSIVE FUNERAL SERVICES ARE HELD FOR MISS JOSEPHINE O'HARE.

The funeral services of the late Miss Josephine O'Hare were held yesterday at 9:30 at St. Patrick's Church. Rev. Patrick McDaid read requiem mass and delivered a very impressive sermon. "Oh Promised Land" was sung by Mrs. Lawrence Wernert of Kearney with violin accompaniment by Evelyn Doucett. Miss Marjorie Liddell sang "Face to Face" and the choir rendered the requiem mass. The pall bearers were W. J. Landgraf, Edw. Weeks, Grover Crane, E. C. Baker, Frank Murray and Jos. Schatz. Interment was made in North Platte cemetery. Our next issue will contain an account of her life and the tribute of friends.

Mr. and Mrs. Leslie Baskins left this morning for Omaha to visit for a few days.

## LODGE, CHURCH AND SOCIETY

COMING MEETINGS IN THE VARIOUS ORGANIZATIONS OF THE CITY.

**PRESBYTERIAN**  
11:00 Regular Service.

11:00 Christian Science Service.

**FARMERS' UNION HOLDS EDUCATIONAL PROGRAM AT EXPERIMENT STATION.**

Yesterday about seventy-five cars assembled a good crowd at the Agricultural Substation to attend the Farmers' Union picnic. Following the dinner, a business meeting was held. J. O. Shroyer, Director of the Farmers' Union in Nebraska was the principal speaker on the program. His subject was Consolidated Schools in Nebraska. County Superintendent Cochran and Health Nurse Griffin assisted in the program.

Miss Vera Mahaffey returned to her home in Ogalalla this morning after visiting her cousin Miss Helen Gray.

Mr. and Mrs. Roy Murdock and children left last evening for Missouri to visit relatives.

Miss Gertrude Baker went to Gothenburg this morning to spend the week end.

## VOLUNTEERS PUT UP BUILDING FOR CAMPFIRE GIRLS IN ONE DAY.

About sixty men were on hand yesterday when President Howard McMichael gave the directions for erecting the building on the site of the Campfire Girls' camp. The structure is 30 by 50 feet and was practically completed by evening. It has a cement block foundation, a fireplace and will be divided into three rooms. Only a little more work is needed to have it completed. Considerable grubbing of trees and willows was necessary but about an acre has been placed in shape. The carpenters and contractors were representatives of the Rotary and Kiwanis Clubs and others.

## NOTED BISHOP TO BE GUEST OF NORTH PLATTE PEOPLE THIS MONTH.

On Thursday June 9th the Right Reverend Daniel Sylvester Tuttle Bishop of St. Louis and Presiding Bishop of the Episcopal Church in America will visit North Platte. Bishop Tuttle was in North Platte for about a week in 1867 and this trip will be the fifty-fourth anniversary of that visit. He will be entertained at a banquet at noon and in the evening a service will be held at 8 o'clock at which the Bishop will speak. He will be accompanied by four or more Bishops of the Episcopal Church including Bishop Shaler of Omaha, Bishop Partridge of Western Missouri and others.

## ODD FELLOWS TO LAY CORNER STONE OF THE NEW COURT HOUSE

Walla Walla Lodge No. 54 I. O. O. F. will furnish the stone free and perform the ceremony connected with laying the corner stone of the new Lincoln County Court House. This was decided at a meeting of the County Commissioners held Tuesday when a committee from the Odd Fellows appeared and made the application. It was granted.

A few days ago Prof. Windslow, Principal of the Logan County high school together with two car loads of the boys of the advanced grades visited the Experimental Substation. Prof. Windslow and Mrs. Windslow are graduates of the Michigan Agricultural College from which Supt. Snyder was graduated in 1903. This college numbers among its graduates the Deans of the College of Agriculture of Nebraska, Iowa, Illinois, Missouri, and Cornell, N. Y., and has many graduates in other important positions in the agricultural world.

## BREAKS ALL OUR RECORDS

LOCAL BUSINESS HOUSE SHOWS ITS CONFIDENCE IN NEWS-PAPER ADVERTISING.

A North Platte business house is demonstrating its belief in the value of newspaper advertising by taking and paying for at the regular rates four whole pages of display advertising in this issue of the Tribune. H. J. Rathman, manager of the J. C. Penney Co. store here has become a warm friend of newspaper advertising within the past year because he has seen the benefits of telling the people about his store through the Tribune. He says he has had early and consistent replies from display advertising in the Tribune and this verifies the claim of the publishers that the Tribune is the most widely read paper in this part of the state. Most of the larger commercial concerns of North Platte have used a page of advertising at some time or other and occasionally a merchant has had confidence enough in the results that would come to place two pages in one paper. But never in the history of the paper so far as we are able to make out, has anyone taken four pages in one issue. It is a compliment to the Tribune which is highly appreciated and we have taken a particular pleasure in believing that the returns would be well worth the investment to the J. C. Penney Co.

At the close of the school year, the pupils and partons of District 127 held a picnic at the Experimental Substation. One hundred and fifty persons were present. A ball game between the east and the west schools was the feature of the day. This was a real ball game, not as played by the professional, but as played by the country kid, and as seen by his dad. There was an error occasionally, but the sport of a game may not always be measured by its perfection or imperfection. The final score was Osgood 52, South Bluff 7. Supt. Snyder says: "Believe me, it was some game. My side muscles are still sore, and I was not playing."

## TWO-DAY GOLF TOURNAMENT ENDS IN VICTORY FOR THE YOUNG BUCKS

By a score of 1440 to 1476 the old bucks defeated the young bucks in a two-day golf tournament which ended last Monday evening.

Swope and Hooley were the captains. Considerable elation is being shown by the youngsters who are to dine at the expense of the elders on some day next week. The Tribune received from Captain Swope a detailed and very humorous account of the affair which would be printed if we had the room. Now the Lady Golfers have challenged the youngsters to a 7-hole play with a 500 handicap to be played within the coming week. Should the men emerge from the coming contest we will be tempted to print the report referred to above but if they are defeated we will keep it in our files forever.

## CLOSING EXERCISES OF ST. PATRICK'S SCHOOL ARE HELD DURING THE WEEK.

Monday evening the boys of St. Patrick's School presented a play in three acts entitled "The Golden Gulch" with a musical prelude and Tuesday evening the girls gave the operetta "Yanki San" with the same musical prelude that was given the night before. On Wednesday evening the graduation exercises were held in the school auditorium at which time diplomas were presented to Frances DeRolf, Viola Rauch and Eleanor Roldy. Each of these exercises was attended by a big crowd which expressed its appreciation in no uncertain terms. One special feature of the programs was the high grade of music attempted and the excellence of the rendition in all cases. At one program twelve violins played a selection with piano accompaniment. On the same program six girls played Pawina's "Tyrolienne" on three pianos, two girls at each piano. The school is reported to have closed a very successful year and the prospects are bright for the coming year.

The S. & R. Service Station practically completed its moving last night and today is delivering gas and oil from its new location just across the street west from the old stand. When the new building is completed it will be a credit to the firm and will help Locust Street as a business thoroughfare.

Do you want to forget your building worries?  
The price of lumber today is considerably lower proportionately than the prices of other commodities that you buy.  
Doesn't it look logical that you should plan your building now?

We are not satisfied unless you are.

Resources Over One Million Dollars.

## Tuesday Started Our 27th Year

of selling merchandise to the people of North Platte and Lincoln County. Through all these years we have had one aim. That was to sell only reliable goods and to do so at prices that would be profitable to our customers as well as ourselves. As purchasing agent for the part of the community which we serve we have endeavored to do our best. As your patronage and our capital increased we have endeavored to keep our store well up with the development of the country. We wish to thank our customers for their faith in us and to say that we shall endeavor to use the experience gained through these years of business to our mutual advantage in the future.
