PARADE TO BE HELD IN NORTH PLATTE ON JULY FOURTH

The big parade will start promptly at 10 o'clock from the Public Library and go east on fourth to Dewey, north on Dewey to Front Street, west on Front to Locust and across the tracks to fourth street and return on Locust to the Library. This is going to be one of the biggest and best parades North Platte has ever witnessed and the committee is doing its utmost to get the cooperation of the people.

MRS. CATHERINE DOWHOWER

Catherine Slesser was born in Dauphin Co., Pa., Sept. 10, 1856 and died at North Platte, Nebraska, June 15, 1921. The cause of her death was heart trouble and dropsy. She was married to Frank Dowhower in 1877 and a few years later came to live on a farm near North Platte. In 1900 they moved to this city.

In 1900 she became a member of the Lutheran Church here and has been a faithful member since although recently she was not able to attend often. Since last December she has been an invalid spending most of her time in an invalid's chair and looking forward to the time when she would be well.

Mrs. Dowhower was the mother of eleven children all of whom with her husband are still living. The children are Mrs. Ernest Arnett of Mont., Mrs. Ed Ware, Mrs. John Pell, Mrs. John Gress, Mrs. John Diener, Mrs. Lawrence Hite, Mrs. Earl Diener, Will, Elmer, Jake and Ezra of North Platte. These with a host of friends have the sympathy of the community in the loss of this mother.

**Remember The Log,
June Brides**

When you sail out from the home-harbor for that new home-land just beyond the horizon, leave not behind the log-book you kept so faithfully while your bark was still a-building. Keep faithfully the entries day by day that as the months and years roll by you may clearly see the course you have set and KNOW your ship is still sailing dead ahead—nose in the wind.

Keep the log, June Brides, keep the log—that little leather-covered Bank-book that always grows dearer the older it gets.

NOTICE TO WATER CONSUMERS.

Beginning the first of next week the Water Department will begin connecting the new mains recently laid in to the old water system. This will necessitate the shutting off of water in one part of the city one day and shutting it off in another portion of the city the next day and so on until all connections are made. Cards will be sent out notifying all consumers in the district to be shut off on what day the water will be off and approximately the length of time it will be off. The Water Department will rush the work of making the connections as much as possible so as to have the water off as short a time as possible and consumers are requested to take out sufficient water for their needs and be as patient as possible under the circumstances.
HERSHEY S. WELCH,
Water Commissioner.

Are You Wasting Gasoline through the Needle Valve?

Why gasoline quality is the determining factor

You can't see whether the gasoline comes into your cylinders as a fine mist or as a heavy spray. Yet that is the thing which largely determines the power and mileage you get from gasoline. The nature of the gasoline spray governs these things—the power of the explosion, the completeness of combustion, the amount of gasoline for each piston stroke and the speed with which carbon will collect and the lubricating oil become diluted.

Unless your gasoline vaporizes readily in all weathers, and unless it is uniform, you cannot adjust your needle valve to give maximum power and at the same time maximum economy.

Use Red Crown Gasoline, which meets all U. S. Government specifications. Complete and uniform vaporization, and a series of boiling point fractions which insure quick ignition and complete combustion—these are the characteristics of good gasoline.

Authorized Red Crown Dealers Everywhere

Wherever you go you can always get Red Crown Gasoline from reliable, competent and obliging dealers. The gasoline and motor oils they sell make motor operation more economical and more dependable.

They are glad to render the little courtesies which make motoring pleasanter. Drive in where you see the Red Crown Sign.
