

North Platte

Community Sales Day

North Platte

SATURDAY, JULY 16, 1921

GUARANTEED REDUCTIONS IN PRICES.

On this page of The Tribune and on the page following are found nearly 100 articles of every-day use upon which the merchants of North Platte have made substantial price reductions for the Community Sale which will be held Saturday, July 16th.

The price reductions are absolute reductions; they have been found actual by the committee which has this Community Sale in charge, and this committee give the guarantee that the reductions are based on the present sale prices of merchandise

The committee believes that on this Community Sales Day the buyers will be given an opportunity to secure more and better bargains than for a number of years past, and that each person who comes to North Platte to trade on Saturday, July 16th, will feel that they have profited by their coming

Committee: M. J. FORBES, W. R. MALONEY, J. Q. WILCOX, ARTHUR RUSH, H. SAMUELSON.
