

LABOR DAY CELEBRATION

CENTRAL LABOR UNION AND AFFILIATED CRAFTS WILL STAGE PROGRAM.

The Program for Labor Day has been worked out by the committee and was announced last night. It starts with a parade at 9:30. This will be a demonstration of all organized unions and crafts of the city. It will end at the City Park where the labor union people and the families are to have a picnic dinner. At 1:30 the union men have arranged a program of sports for the children. Here is the list: One block race for the girls between 8 and 12, first prize \$2., second prize \$1., third prize 50 cents; Pole Boxing Max for boys from 6 to 10—first prize \$2., second prize \$1., third prize 50 cents; 100-yard race for girls between 4 and 8—first prize \$1.50, second prize \$1., third prize 50 cents; 100-yard race for boys—first prize \$2., second prize \$1.50, third prize \$1.; 100-yard race for boys between 4 and 8—first prize \$1.50, second prize \$1., third prize 50 cents; 10-yard egg race for boys—prize \$2.; Potato race for boys 6 to 8 years, first prize \$1.50, second prize \$1., third prize 50 cents. The sports also include a tug-of-war. Five carpenters are ready to stand five from any other craft.

At 3:45 there will be a ball game. The Dayton Handicap will be run at 5:30.

The fights will be held in the old Lloyd Opera House. First event will be a 10-round go between Happy Malone of Denver and Battling Garrison of St. Paul—weight 133 pounds.

In the second event Joe Humphrey of Omaha will box with Franky Coogan of Seattle at 120 pounds. Final event will be Duke Duval of Fort Sill, Oklahoma and Blody Springer of North Platte at 116 pounds. Fred Oumette will act as referee. The opening round will be at 8:30.

At 9:30 the third annual ball of Central Labor Union will be held at the K. C. Hall. This will close the day of amusement and recreation for the federated crafts, their wives and families.

PROGRAM FOR FORD FAMILY JUBILEE DAY STARTS AT TEN-THIRTY O'CLOCK.

The committee has just reported the program of sports for Ford day as follows: Beginning at 10:30 Ford running the longest distance on one pint of gasoline—first prize kodak, second prize ten gallons of gasoline; Ford tug of war—first prize \$5 shoes, second prize \$3 hat, third prize \$2 overalls; Ford eight block race including change of one clincher tire in the second, third, fourth, fifth, sixth and seventh blocks—first prize 30x3 non-skid Firestone casing, second prize set Rudex lens; Ford slow race, three blocks in high gear—first prize radiator repaired free during next six months, second prize five gallons of gasoline; Ford day penny grab and shower for the children.

11:45—Singing by Ford Day Quartet.

12:00—Weddings—Ford Day special, Rev. C. F. Koch, officiating.

12:15—Speaking by Jas. T. Keefe, "Ford Day Opportunities."

12:30—Dinner—Picnics on the Court House lawn.

1:30—Parade—Big Ford Parade led by the Ford Day Clown Band, starts at Third and Dewey streets with only Ford cars taking part. New, second-hand, worn-out and broken down Fords all to get in line for the big event.

ABOUT PEOPLE AND THINGS

CURRENT COMMENT ABOUT PEOPLE AND THE THINGS THEY ARE DOING HERE.

On account of the American Legion play the weekly rehearsal of the Chamber of Commerce band will be postponed to Thursday evening. The regular concert will be held in Court House Park on Friday as usual.

N. W. Gaines of the Nebraska Farm Bureau Federation will be in Lincoln County for three days on Sept. 15-16-17. He is expected to be at Bignell on Friday the 16th, but the other two dates have not been definitely decided. He is a speaker of importance in the Farm Bureau work and it is a privilege to hear him.

The North Platte delegation to the Tri-County Survey School convention will leave here at nine o'clock Sunday morning. This will not allow those who go to attend the regular sessions of their schools but they will be excused if they attend this convention. Two thousand people are expected if the weather is favorable. Lincoln County will be represented and as will Logan and McPherson.

Albert Schatz was shaking hands with old friends here the last of the week. He is one of the North Platte boys who is making good elsewhere. Mr. Schatz was here on business and when asked why he had not brought the new baby he said he wanted to but it was only three weeks old and that was too young to start children out on the road even in these days. Albert is in the oil business now and says that while it has its ups and downs like most other lines, he is doing well and likes the work.

Jean Herrod has one of the nicest snow windows in town and he uses it to advantage. Last Saturday we passed there and counted sixteen different kinds of fruits and vegetables on display. They were fine samples of the supply on display within the store. We wonder at the house wife who looks for something to cook and put on the table when our merchants have such varied lines of fresh fruits and vegetables both home grown and shipped in.

Local ex-service men are very much interested in the land drawing which is being held in the Laramie District of Wyoming. The land is all valley soil, has irrigable acreage and is said to be fine for intensified cultivation. Ernest Rincker and Cecil Cool made an auto trip up there last week and brought home the information which all the boys want. Many of them are filling on the desirable pieces and in the drawing some hope to win.

Lincoln County Fair is to have some of the best racing that has been seen here for years according to the talk on the street this week. In conjunction with the Dawson County Fair at Lexington and the Sedgewick County Fair at Julesburg the Lincoln County Fair has formed a circuit with enough prizes announced to attract the best horses in the western country. These races are to take place during part of the afternoon of each day of the fair.

The judging team of the Lincoln County Boy's and Girl's Clubs will leave for Lincoln on Thursday. The team is composed of James Ross of Maxwell, Owen Powell of Sutherland, George Koch of Hershey and Manley Rasmussen of Maxwell. County Agent Kellogg will accompany the team. They will spend part of Friday and Saturday at the State Farm at Lincoln practicing the stock judging with the cattle there. On Monday morning at 8 a. m. they will enter the competition at the State Fair. This is the first time that Lincoln County has ever been represented in the stock judging contests at the state fair.

The name Pizer is again to shine in the North Platte business world. It was connected with the Leader for many years and then it dropped out of the mercantile world when Julius Pizer sold his interest to the new Leader Co. But Julius Pizer has not given up business. He has fitted up the room formerly occupied by the Hemphill Printing Co. and is having it shelved and prepared for business. He expects to go east shortly and while there he will purchase a stock of goods. When last seen he was not sure whether he would start with men's or women's wear. It is rumored that Julius will associate some of his children with him in the new enterprise. October first is the date mentioned as the probable opening.

County officials say that the bridges must be repaired. State Engineer Johnson was here last week and he says that the bridges must be repaired. The spans of the Osgood bridge just south of North Platte that are still standing are worth fifteen or twenty thousand dollars. In case of water in the South Platte during the winter and spring these spans would go out. They must be saved and in order to save them the bridge must be repaired. County Attorney Keefe with the assistance of some of the best legal talent in the County has decided that there is a way by which a special tax can be levied and the necessary repairs made. This they expect to do. It seems absolutely necessary. On the other hand every road overseer has been notified not to make any repairs or construction at any culvert or bridge where new timber or other material is needed. There is no money in the treasury for these repairs. The road and bridge fund has been largely overdrawn. Taxes are not being paid. The spending of money on roads and bridges must stop except where absolutely necessary. Every real business man in the county will approve of this attitude on the part of the Commissioners. Keep within your income is good business in public affairs as well as in private affairs. They went without roads and bridges in early days. There was no road tax then. If we do not have money to build roads, culverts and bridges we can go without them now. And so it goes. The Commissioners are in session every Monday and they will be glad to hear from anyone who has a better plan to propose.

BAND LEADER KNOWN HERE

FORMER RESIDENT OF THIS CITY IS DIRECTOR OF KIMBALL BOYS BAND.

Harley Bonham is director of the Kimball Boys' Band which will give a short concert in North Platte on Saturday, September 3. The band has a contract to furnish music at the Nebraska State Fair and is making the trip overland by auto. There are thirty boys in the band and ten business men accompany the boys. The band is a strictly juvenile affair according to Mr. Bonham, who says they range from ten to fifteen years of age. The average age is less than thirteen years.

H. L. Bonham will be remembered by many local people. He lived here a number of years and married the daughter of Mrs. John Knox. H. L. Bonham and his brother are in the furniture and undertaking business in Kimball and have been quite successful. Harley works with the boy's band as a side issue.

In writing about the boys he says, "All the boys who are members of this organization had to pledge themselves to abstain from the use of tobacco and liquor and not to swear. They are under very strict discipline and we try to build character as well as musicians. We played for the Frontier Celebration at Cheyenne and the Cheyenne Tribune stated that considering everything we had the best band they had heard in years. There are several school bands in the state which are larger but we have the youngest boys of any."

This band will arrive in North Platte on its way to Lincoln at 5:30 next Saturday afternoon. It will give a short concert here and after taking supper will leave for Gothenburg where it will stay all night.

MRS. JOE JOHNSON PASSED AWAY AT HER HOME NEAR CITY YESTERDAY

Mrs. Joseph Johnson died last evening at her home fourteen miles south of the city at Jack Morrow Flats. She was fifty four years old and had leaves to mourn her death her husband and eleven children. No funeral arrangements have been made.

STAGE IS ALL SET FOR THE BIG FORD FAMILY JUBILEE ON THURSDAY

Every indication points to an attendance that will mark the day as the biggest event North Platte has ever pulled off. This Ford day, in the way of publicity, has been advertised in twenty-two newspapers in the North Platte territory and in addition 4500 copies of The Tribune and The Telegraph have been mailed to auto owners and others in the same territory. As has been noticed by these papers cash and merchandise prizes have been offered for phases of Ford ownership and Ford conditions, and prizes have also been offered for contests in which Ford cars exclusively will figure. The contest will start at 10:30. Then, of course, there is the big prize of the day—a new Ford Touring car. The parade of Ford cars will be a feature of the day; just how many will be in line we can't guess, but no doubt there will be many hundreds. This Ford Day has been projected by and is participated in by the business men of North Platte and they give their guarantee that everything as advertised will be carried out. The committees having the day in charge are:

- Executive—J. E. Nelson, J. V. Romigh, Guy Swope, A. T. Johnson, H. J. Rathman.
- Publicity—J. E. Nelson, Ira L. Bare, Finance—J. V. Romigh, Ira L. Bare.
- Prizes—Guy Swope, W. R. Maloney, Paul Nolan, Wm. Burgner, A. T. Tramp, A. T. Johnson.
- Amusements—W. J. Tiley, W. E. Starr.
- Refreshments—Ed Ogier.
- Marshal of the Day—A. B. Hoagland.
- Speakers of the Day—Rev. C. F. Koch and J. T. Keefe.
- T. F. Healey will be chairman of the committee on judging and will select his committee from among the farmers who are in town that day.

BODY OF MRS. A. A. HOTCHKISS WHO DIED IN DENVER ARRIVED TODAY

Mrs. A. A. Hotchkiss formerly Miss Helen Minshall of this city died in a Denver sanitarium Sunday. The remains were brought to this city this morning where interment will be made. The funeral will be held tomorrow afternoon at four o'clock from the Lutheran church. Mrs. Hotchkiss has spent all of her girlhood days in this city and had many friends all of whom join her husband and parents in mourning her death.
