

WHAT OTHER PAPERS SAY

INTERESTING ITEMS FROM EXCHANGES WHICH REACH OUR DESK.

HAVE TO DO IT
Postmaster Swanson will go to No. Platte tonight and tomorrow will take civil service examination for re-appointment to the office of postmaster. We understand that Grover Crane is also an applicant for the office and will take the examination too.—Garden Co. News.

INVESTIGATES
J. H. Hauser, deputy state fire warden, was in Arthur Saturday evening and held an all night session investigating the cause of the recent fire. Two witnesses were on the carpet several hours, but no conclusive evidence could be found to warrant further proceedings, and early Sunday morning the state officer left for Sidney.—Arthur enterprise.

HIGHWAY TRAVEL
One family, living on the Lincoln Highway in Hershey, took the trouble recently to count the number of automobiles that passed during one day. Now, before you read the rest of this, just make a guess. They started counting about seven o'clock in the morning and continued until shortly

after dark. Five hundred and one cars passed. Did you guess that many?—Hershey Times.

FORETOLD DEATH
Mr. Christensen of Maxwell, father of Mrs. Westley Wightman, died very suddenly at his home last Friday evening, Sept. 2, 1921. Mr. Christensen told a member of the family that he was tired and would lie down to rest, but in a short time called and said he was dying, and passed away very shortly afterwards. Funeral services were held in Maxwell Sunday afternoon. Interment was in the Brady cemetery.—Brady Vindicator.

CORN AND BEANS
I. V. Zook sold over 347 dozen ears of sweet corn and 172 gallons of string beans raised on one-half acre of ground in west Hershey this season, netting him \$138.00 for his labors and leaving him about ten bushels of seed corn for next season as well as some beans. His tract of land is irrigated, but "Daddy" is a real gardener and has learned the art of making two stalks of corn grow where one grew before, and to think that he is now past 78 years old, yet he is as spry as many men of 50.—Hershey Times.

AEROPLANE
The Toncray aeroplane with which the daredevil stunts were put on at Lyman last week, and which was to have been used Sunday in a similar exhibition at Scottsbluff, was brought down to the Country Club grounds and supposedly anchored safely. The heavy wind of Friday

night however smashed it up so badly that it was almost useless, and it was brought into Gering and stored at the French garage awaiting the receipt of repairs. Another plane was secured to fill the base ball date, but the thrills originally destined as trimmings were absent.—Gering Courier.

MARJORIE
Sidney has lost for a time her pretty little dancing girl, Marjorie Wallick. The high class company, the Gierdorff, which played so pleasingly early in the week at the U. S. A. contracted Marjorie for a limited time until she makes a final decision. She will play with them for two weeks in Omaha, and thence to Florida and abroad. They are considering a South American contract. This company is one of the most pleasing concert troupes that Manager Parks has ever billed, and the opportunity offered is one that Marjorie does well to grasp. Sidney friends wish her only the best of a successful career.—Sidney Telegraph.

OUT OF ORDER
The pump at the north water station went out of commission last Monday, and the city has since then been receiving its supply of water from the new station at the west end of Ninth street. The old north pump has been in constant use for fourteen years, but since its collapse it will take at least two weeks to repair it properly. Workmen were immediately put on the job. Had not the new pumping station been put in several months ago the city would have been without water for all purposes this week. At least, credit is due those officials with long enough heads to foresee in the past a possible and very probable emergency, such as actually came this week.—Gothenburg Independent.

FIELD DAY
The Odd Fellows' Field Day held in Dringman's grove last Friday was a success from every viewpoint. Odd Fellows and their families from North Platte, Hershey, Sutherland and Paxton, to the number of about five hundred, spent the day visiting and enjoying the sports. Forty gallons of ice cream, a ton of watermelons and some sixty gallons of lemonade vanished during the afternoon. The sports consisted of tugs of war, foot races, nail driving contests, pitching horse shoes, ball game, etc. Before leaving the grounds an organization was perfected and officers elected to arrange for another picnic next year. In the evening those who desired enjoyed the dance given in the American Legion hall.—Sutherland Courier.

About ten o'clock Tuesday evening a crowd of unknowns appeared on the street and before the citizens were aware of what was happening, had pulled up a blazing straw dummy to half mast on the flag pole at the intersection of Second street and Central avenue. When fire had consumed the dummy, with a shout of "Let's Go," they headed for the court house. As they reached the lawn, a shot from an unknown source, shattered a light globe above their heads, which deterred them.

It is not known just what their purpose of marching on the court house was, nor do we really believe they had one other than the spirit of rowdyism, but it is out of such irresponsible groups as this that the spirit of riot and tragedy is developed. Mayor Grabill quickly realized the situation and had twenty American Legion boys deputized and ordered that the streets be cleared. In twenty minutes you could have swept the streets with a machine gun and not hit a person, beast or automobile.

It was quickly and plainly demonstrated that the better citizenry of Sidney will not tolerate any semblance of mob law. If there has been any crime committed we have our courts of justice to meet the proper punishment and everyone is entitled to a fair trial.—Sidney Telegraph.

BONDS CARRY
Tuesday was a big day along the proposed transmission line. Brady and Maxwell voted upon the proposition of building the line east of North Platte to Brady through Maxwell and the majority was heavy in both towns for the project. Paxton voted upon the proposition the same day and carried it with but one dissenting vote and thus takes the blue ribbon in the transmission line contest. The election on this proposition was held in Hershey on August 30th and in Sutherland on August 31st, both of these towns giving good majorities for the line.

Following is the vote of the five towns:
HERSHEY—
For the line 137
Against the line 37
SUTHERLAND—
For the line 147
Against the line 25
PAXTON—
For the line 138
BRADY—
For the line 102
Against the line 29
MAXWELL—
For the line 77
Against the line 312

Some fellow at Maxwell voted for one proposition and against the other through ignorance, a change of heart before he had finished his voting, a desire to be neutral on the proposition or for some other cause.

Notice for bids on the construction of the line are now being published in the five towns and by the first of October all details should be completed, the contract let and within a few weeks actual work of construction should begin. Mr. Brownell has repeatedly said that construction work will be pushed as rapidly as possible and that with a full force practically a mile of line a day should be built. This means that by the first of the year the five towns will be supplied with twenty four hour service from the North Platte Light & Power Co.'s plant and the people will have the advantages of a metropolitan city so far as electricity is concerned. Not until the work is completed and the juice turned on will the people fully realize the advantages of this line and system.—Maxwell Teletop.

EXTENSION ROAD NO. 11.
To Whom it May Concern:—
The Board of County Commissioners for Lincoln County, Nebraska, have made the following resolution:—
The Board of County Commissioners for Lincoln County, Nebraska, being of the opinion that the public good requires it, hereby declare the section line running north between the NW 1/4 of Sec. 4 and the NE 1/4 Sec. 6 in T. 14, R. 30 and between Sections 32 and 33, 29 and 28, 20 and 21, 17 and 16, 8 and 9, and 4 and 5, T. 15, R. 30, all west of the 6th P. M. to be opened to the public, and the County Clerk is hereby directed to advertise for claims for damages and to have same appraised, and the County Surveyor is hereby directed to survey same. All claims for damages or objections thereto by reason of opening said above mentioned section lines must be filed in the office of the County Clerk on or before 12 o'clock noon on the 21st day of November, 1921, or said road will be established without reference thereto.
Dated at North Platte, Nebraska, this 9th day of September, 1921.
A. S. ALLEN,
County Clerk.

NOTICE TO CONTRACTORS.

Signed and sealed bids and proposals on the New Lincoln County Court House, North Platte, Nebraska, will be received and filed in the office of A. S. ALLEN, County Clerk, North Platte, Nebraska, up until 12 o'clock noon (Central Time) on Monday, October 10, 1921, for the erection of a Court House Building for Lincoln County, Nebraska, to be erected at North Platte, Nebraska, in accordance with the Plans and Specifications prepared by George A. Berlinghof, Architect, Orpheum Theatre Building, Lincoln, Nebraska.

Bids and proposals will be received as follows:

1. General Contract.
 2. Heating and Plumbing.
 3. Electric Wiring.
- Plans and specifications may be seen at the office of the County Clerk, North Platte, Nebraska, at the office of the Architect, Orpheum Theatre Building, Lincoln, Nebraska, also at the offices of the following Builders' Exchanges: Omaha, Nebr., St. Joseph, Mo., Kansas City, Mo.

Contractors desiring plans and specifications for their individual or private use may obtain same from the Architect by making a deposit of \$100.00 of which \$90.00 will be returned when plans and specifications are returned to Architect in good condition, and bona-fide proposal or bid filed with the County Clerk on the day of letting.

Each bid or proposal, in order to be considered, must be accompanied by either a certified check or a Bidder's bond in the amount of five per cent (5%) of bid and mad payable to S. M. Souder County Treasurer.

The Board of County Commissioners for Lincoln County, Nebraska, reserves the right to reject any and all bids and waive defects in same.

By order of the Board of County Commissioners for Lincoln County, Nebraska, dated this 6th day of Sept., 1921.

E. H. SPRINGER,
T. M. COHAGEN,
H. COKER,
County Commissioners.
GEORGE A. BERLINGHOF,
Architect.

Attest:
A. S. ALLEN,
County Clerk. (SEAL)

AMERICA TO HAVE WONDERFUL "BRIDGE OF SHIPS."

This bridge is to be built in 90 days across the Hudson from Yonkers, N. Y., to New Jersey, using Uncle Sam's useless wooden ships. It will last ten years and be a scientific engineering feat because the tide will raise the boats and therefore raise the bridge.
