Two ferneries have been placed in the city library reading room. They add much to the cheerfulness of the room.

U.B. Thrifty says

When you lend a man money to tide him over he don't always come up with the tide

When you have money to spare—

LOAN IT TO "C. D."

C. D. stands for Certificate of Deposits, familiar to all our customers.

C. D. always "comes up with the tide" and always has paid obligations when due or demand.

Ideal for fall money.

Interest rate 5 per cent.

Deposits in this bank are protected by the Depositors Guarantee Fund of the State of Nebraska.

The State Convention of the American Legion was held at Fremont last week. Dr. McKirahan and Roy Cochran attended from North Platte the other elected delegates failing to make connections for one reason or another. Mr. Cochran was elected to represent the Sixth district on the State Executive Committee for a term of two years, there being two members of the committee from each district. Dr. McKirahan was elected as alternate delegate-at-large to the National convention of the Legion which meets at Kansas City.

ABOUT PEOPLE AND THINGS

CURRENT COMMENT ABOUT PEOPLE AND THE THINGS THEY ARE DOING HERE.

At a meeting of the Lincoln county Advisory Board of the Salvation Army, held Tuesday afternoon, John B. Edwards was elected chairman, Dr. C. A. Selby vice-chairman and T. O. Swenson, secretary-treasurer. It was decided not to put on a financial campaign just now.

The Lincoln Trade Review says that wheat exports from this country for last August totaled, in round numbers thirty three and one-half million bushels, nearly four times the volume for any August before the war and in the opinion of Secretary Hoover, this flow of wheat to Europe should react favorably on agriculture and business conditions throughout the country.

Last Saturday was a big among the merchants of this city. One bank official stated yesterday that his concern did more business on Saturday than on any day since the first of the year. The Union Pacific business is better than it was at any time before the war and on one day recently it surpassed the best record made on any previous day in the history of the road. The record was in the number of cars moved through North Platte.

Carl Backers believes in doing things in a big way. He secured the contracts for the sewer mains and started in to do a good job and make as much out of the contract as possible. Then he got the contract for laying the water mains. That meant a lot of work and if he depended entirely on human labor he would not get through before the ground froze. Also it was expensive under most conditions. So he went to Colorado and returned with a mammoth steam ditch digger. It eats out a trench twenty inches wide and six feet deep and keeps moving right along. It is now going west on E street and the gangs are following with the pipe. As soon as the pipe arrives, work is to commence on the water mains.

The Rotary Club was entertained yesterday by the Northwestern Bell Telephone Co. Manager E. V. Cooper and his assistants showed the men through the plant in the Waltemath building and performed some interesting experiments for them. The method by which the business and residence calls are handled was explained and the importance of North Platte as a relay station was emphasized. The Rotarians also inspected the plant of the Western Union on the first floor of the same building. These visits followed the weekly noonday luncheon at the Lutheran church basement.

Lee Ulery, of Richmond, Ind. superintendent of construction of United States public buildings, arrived in town, yesterday, coming here in response to the Chamber of Commerce that the needs of an extension to the post office building be investigated. Mr. Ulery will be in town several days and will fully investigate the needs of more room to expedite the handling of mail. He will also investigate the proposed improvement in the basement of the federal building for which material is now being assembled.

LOCAL FOOTBALL TEAM BEATS HIGH SCHOOL RECORD IN GAME WITH COZAD

The North-Platte High School football team defeated the Cozad aggregation Friday in the first game of the season by a score of 176 to 0. This score breaks the local high school record as the highest score ever made was in 1915 when the local eleven won from the Cheyenne Indians 112 to 0. A large crowd attended the game and more enthusiasm is being shown in football this year than ever before. The Rotary and Kiwanis Clubs attended in a body. The High School pupils occupied a section of the grandstand keeping things going with their yells and songs.

NOTICE

Water rent is due and will be delinquent on the 20th of October. Hershey S. Welch Water Commissioner

MANAGER HAWLEY TO PRESENT "LISTEN IRENE" TO MUSICAL COMEDY LOVERS.

The musical comedy, "Listen Irene" is booked for Monday October 10th at the Keith. The popularity of this production, everywhere it has been seen, thoroughly demonstrates the fact that the book is amusing, the music tuneful, the girls pretty and the scenic and costume appointments are on a lavish scale. There are many unusual innovations which with the electrical effects produce some remarkable revelations in the stage artistry. One of the greatest novelties is the "Jeweled Flirtation Runway" an illuminated runboard extending from the stage almost to the back wall of the theatre and the many members introduced on the "Walk" offer new and amusing entertainment to all. Money has been spent to make this new musical play a rousing success. Such performers as Nya Brown, America's most beautiful actress, Johnny Getz, the perfect nut, Elks Quartette, 3 Browns, Ace Wingfield, Bill Barber, Seymour Slaters, Joe Coyle, Edna Clayton, Bety Earlem, Elwood Brown, these guarantee the excellence of the cast.

NORTH SIDE SEWER IS COMPLETED AND THE WORKMEN ARE TRANSFERRED

The sewer connecting the east end of Ninth street with the North Platte River just above the railroad bridge was completed Wednesday and the workmen were transferred to the south side sewer which is just at the edge of town. Contractor Backers has had as high as eight teams at work on the project at one time and will keep about fifty on the job at present. The south side sewer has been laid for about a mile and a half and is just at the eastern edge of the city now. It will extend west on E street to Oak, north on Oak to A street, west on A to Jackson, north on Jackson to the alley between Sixth and Front. The pipe is in three sizes—18, 15 and 12-inch. In all this main will extend a little over 18,000 feet or nearly 3 1/2 miles.

THE ENROLLMENT OF THE CITY SCHOOLS IS MUCH GREATER THAN FORMERLY.

Yesterday Superintendent Littel gave out the following enrollment of the city schools: In the Jefferson school there are 309 pupils, in the Washington 397, in the Lincoln 384, in the Franklin 446, in the Central High School 266 making a total enrollment of 1813 students. This is a larger enrollment than former years and new teachers and equipment have been added to meet the demands of each school.

POPULAR BRANCH LIBRARY IS TO BE OPENED AT THE LINCOLN SCHOOL

Miss Loretta Murphy, City Librarian, has just announced that she will reopen the Juvenile branch library at the Lincoln School on Friday, Oct. 7. This branch was first opened about three years ago and the number of borrowers has steadily increased until it has become a regular part of the school.

LET'S KNOW NORTH PLATTE

A SERIES OF INFORMING ARTICLES ABOUT NORTH PLATTE AND ITS PEOPLE.

THE BOARD OF EDUCATION

The Board of Education of the City of North Platte, in the County of Lincoln in the State of Nebraska, is the official title by which the School Board is designated in legal matters. Most people call it the School Board and that is usually accepted as correct. The Board is composed of six members, each elected for a term of six years and two elected every year. They are elected at the annual city election in April and take their places on the following Monday, or as soon thereafter as they are duly qualified. They do not receive any salary as members but may vote a salary to the Secretary who may be a member of the Board or someone outside. At present the board consists of the following:

Elected in 1919 Mrs. Mary Snyder
Mrs. Elizabeth B. Cramer.
Elected in 1920 Edmund Dickey
E. R. Goodman
Elected in 1921 Keith Neville
Wm. J. Hendy.

The officers of the Board are Edmund Dickey, president; Mrs. Elizabeth B. Cramer, vice-president.

Mrs. Mary Snyder, secretary; L. E. Mehlman, city treasurer is treasurer of the Board.

The regular meetings are held in the Board of Education rooms in the Franklin school building on the first Monday of every month according to law. Special meetings are called at any time. These meetings are open to the public when anyone may appear before the Board and present a grievance or ask a favor.

The Board has broad powers in controlling the affairs of the school district and is subject only to the laws of the state of Nebraska. It is not under the control of any city, county or district officers. In many matters it gets its powers directly from the people. It can issue bonds only when the people authorizes it by vote.

AMERICAN RED CROSS ROLL CALL FROM ARMISTICE DAY TO THANKSGIVING

Word has just been received here that the Annual membership roll call of the American Red Cross in Lincoln County will begin on Nov. 11, Armistice Day, and extend until Thanksgiving day, Nov. 27. The Roll Call in Lincoln County will be led by Miss Anna C. Kramph, Chairman of the Lincoln County Chapter. The splendid work done in this County by Miss Sarah Kelley in the Home Service work and by Miss Florence Chaffin in the Home Nursing and Public Health work will make an appeal to Lincoln County citizens which will put the campaign over in good shape. Full plans will be announced later.
