EDITORIAL

We are indeed glad to announce the re-organization of the Jefferson Parent-Teacher Association and the election of officers for the coming year. We had thought last week that the Senior Association was the only one organized but we found the Jefferson was already in the field. Congratulations to the mothers of the Jefferson school and to Mrs. Bivans who has so much responsibility if anything worth while is done.

One man figured there were over 1,000 pupils in the parade last Friday. Each had given up one hour of school time to encourage the football team and cheer them on to victory. One hour for 1,000 pupils is the same as one thousand hours for one pupil. Since there are 5 1/2 hours of school in each day it figures 181 days which is one day more than school is held in a whole year. This man figured that the total sacrifice was equal to one year of schooling for one pupil and the boys and girls were willing to give this much time that the team might be encouraged. Probably he was a little strong in his estimate of the sacrifice the boys and girls were making as those we saw in the parade did not seem to be downcast in any way.

Mr. and Mrs. George Sizmore, who have spent the last three months in Ocean Park, California, have returned to North Platte and Mr. Sizmore has resumed his place in the local railroad service.

THE COMMUNITY NEWSPAPER

By BOB ADAMS

Of all the sheets from east to west the local paper is the best. Deep is love and deep our debt to Record, Tribune or Gazette. When first I landed on this ball, a bit of floss wrapped 'round a squall, it welcomed me with joy and pride my life has never justified. It follows me my whole life through, with words all kind and mostly true, and even after I am hearsed 'twill tell my best and hide my worst. When in Oshkosh or Wicklup I wander homesick as a pup, or if in foreign lands I roam, it brings me pleasant news of home. Across the sands, across the sea, the old home paper comes to me. It is a friend both true and tried, and to it gents, I point with pride: yea, I will hock my Sunday pants to pay up six years in advance.

THE JEFFERSON SCHOOL PARENT-TEACHER ASSOCIATION IS ORGANIZED.

Bivans, president, Mrs. R. A. Blackburn, vice-president, Miss Dorothy Hubbard, secretary and Mrs. Robert Dean, treasurer. Mrs. E. L. Stephens is Principal of the Jefferson School.
