**EDITORIAL**

Owing to machine trouble in our office a number of items are omitted which otherwise would have appeared in this paper.

Someone is doing good work in choking off the nine o'clock whistle at the water station. If the good work continues, it will cease to be a nuisance and a disturbance as it has been in the past.

The Tribune has an assortment of samples of beautiful Christmas cards and folders from which selection may be made. We order the cards and print whatever is wanted at very reasonable prices. We do not sell them without printing and they are not engraved. They are beautiful and reasonable priced. When one has enough printed to go around among the friends who are to be remembered on Christmas, they are a fine remembrance of the spirit which stands for Christmas. We are glad to show them.

**CALORIC means—HEAT**

**CALORIC** is the name of the heating plant that heats buildings like the sun heats the earth—by natural circulation of air.

To your family the Caloric Pipeless Furnace offers: June-like warmth in every room (70° guaranteed in coldest weather)—fuel bills cut 1/3 to 1/2—clean rooms—drudgery banished.

The Caloric has no pipes and heats old or new homes of 18 rooms or less, through one register.

Usually installed in one day. No alterations, no plumbing, no pipes to freeze. Made and guaranteed by the largest manufacturer of warm-air furnaces in the world. Come in and let us show you why we can guarantee—your satisfaction or money-back.

The Boy Scouts troop meetings the past two weeks have been a little different than usual. There have been special helpers assigned to each troop as follows:—Mr. Forbes has been giving some instruction how to handle dead or unconscious bodies by the one man process, Rich Birge is doing some singing with the boys with the intention of organizing a scout chorus as soon as possible. Mr. Tracy has been giving some very interesting and instructive work in astronomy. Harold Wiese assists with the signalling and Ted Payne gives special help with the First Aid. These things are along scouting lines and will help get the scout ready for their tests. We welcome any help that will fit in any way with the scouting program.
