

# OUR ENTIRE STOCK

# 1/5 OFF

## FOR A LIMITED TIME

Beginning Monday, November 21, we are going to put our Entire Stock On Sale at One-Fifth Off our Regular Prices. This applies to everything in stock but not to special orders or to goods that have been laid away for customers. We will not open any new goods during this sale for the reason that we wish to reduce our investment in our stock. The season has been backward and while we have reduced our prices right along to conform to the reductions in the wholesale markets we feel that we had rather take a further loss than to carry any surplus fall goods over into another season. Goods will be priced to you at the regular price and one-fifth deducted from your bill.
