## READ! READ! READ!

For the past 12 months the people of North Platte have been intoxicated with the thought that the American Dollar was the thing to hold on to. The buying public has held out against the most drastic reductions in the history of the Clothing industry. This REALIZATION SALE, the most colossal merchandise stroke ever planned in NORTH PLATTE, is aimed to break down the barrier between buyer and seller and to turn at least ONE-THIRD OF THIS STOCK INTO MONEY IN FIFTEEN DAYS.

This is Emphatically NOT a "January Clearance." In Ten Years you have not had Bargains Like These Put Before You.
