### BIGNELL

Frank Bockus and family are sick with the flu.

The members of the Girls Sewing club sold popcorn at the sale on Thursday and enriched their treasury by \$3.35.

Miss Ethel McCracken returned from St. Paul, Nebraska, Sunday evening and resumed her duties in the school room this week.

Rev. Dixon will preach at Bignell Sunday March 26th at 10 a. m. and Sunday school will follow at 11.30 a. m. on the same day.

Mrs. Blaine Combs was so unfortunate as to lose a beautiful pair of gray gauntlet, fur-trimmed gloves while on a trip to Nichols last Friday night.

Violet Fletcher has been absent from the Maxwell high school the past week on account of being ill with the flu. Other members of the family are also sick.

Jesse LaPlant reports that his father, William LaPlant, who was taken to the Green Gables Sanitarium near Lincoln, last week is some what improved.

Twenty-two members of the Fort McPherson Sunday school visited the Bignell Sunday school last Sunday. A ten minute discussion was held on how to increase the attendance of the school.

Mr. and Mrs. Homer Mylander and son expect to leave soon for Arlington, Colorado where they will reside in the future. Altho not in our immediate community, we regret very much to see them leave and wish them success in their new home.

The combination sale held last Thursday by the Bignell Community Club was fairly well attended. A sale of this kind is usually composed of the unwanted things about the farms. Taking into consideration the offerings and the financial terms it is considered a success. The ladies of the club served the lunch.

Mrs. Leavitt gave a dress form demonstration at the home of Mrs. J. W. Rose last week. About twenty five ladies were present and three dress forms were made. On Wednesday she gave a demonstration at Pleasant View school in district 31 and on Friday at the home of Mrs. Frank Starn in district 3.

Twenty-seven or more members of the Bignell Community club attended the program given at the Nichols school house last Friday evening. They report a splendid program, a fine lunch and the best kind of a time. Many were unable to attend on account of illness. This club wishes to extend a hearty vote of thanks to the Nichols people for their hospitality.

R. R. Morris reports nine members for the Bignell Poland-China pig club. Mrs. Abercrombie has her poultry club all ready for work. A. R. Leavitt is still working on the Hampshire pig club. Mrs. C. E. Snyder, leader of the girl's sewing club reports that the girls have almost completed their first course. The children at school are still enjoying their hot lunch club and especially on very cold days.
