SHORT STORIES OF PEOPLE AND THINGS

ITEMS OF INTEREST ABOUT RECENT HAPPENINGS IN THIS COMMUNITY

The annual ninth grade party and dance will be held in the Franklin Auditorium next Friday evening.

An attempt was made Sunday by two prisoners in the county jail, Sheets and Byrne, to break out of prison. They were trying to loosen the brick about the window casing so they could force the window bars. Sheriff Salisbury promptly locked them in the steel cage.

One of our local dealers reported today that there are two milk dealers whose cows have been tested and the report is 100% free from tuberculosis. There is a demand for milk from that kind of cows and of they would advertise the fact a little they could get a little above the market price for their products.

The members of the High school debating team and the coach were entertained by the Rotary club at luncheon yesterday and each was called upon to take a part in the program. Miss Gibson gave a reading from Kipling and brief remarks were made by Albert Shenk, Louis Breternitz, Robert Hoagland and George Dent.

The night school is entering upon the sixth week of the second term with only two weeks after this one is finished. There is said to be more good work being done now than at any time during the school as only those who are really in earnest are still enrolled and attending. About seventy ladies were expected last evening to attend the different classes.

BOY SCOUT CAMP TO BE MOVED TO LOCATION NEAR THE CITY

At the regular meeting of the Boy Scout council last week it was decided to move the boy scout camp from the Roberts grove east of here to the Dillon grove. The Roberts grove made a fine camping place but it was infested with poison ivy in abundance and no way was found to overcome the bad results from it. Plans will be made for moving the camp the new location in the new future.

NORTH PLATTE WOMANS' CLUB IS GOING TO HAVE ART EXHIBIT

The art department of the Womens' club will sponsor an amateur art exhibit on Monday April 24. It will be held in Miss Whittaker's Millinery store. Miss Whittaker and Mrs. McReynolds are the committee and they are securing the names of all amateur artists in the city. They are asking that all work be taken to the exhibition before six o'clock on the evening of the date set and they will be glad to learn of anyone who does any kind of art work not including needlework. Light refreshments will be served and the general public is cordially invited.

es in millinery and they came with all kinds of hat bags full of millinery goods.

Howard Elliott was a welcome visitor at The Tribune office last Saturday. Mr. Elliott is editor of the Union Pacific magazine and in that way is well known to a large number of North Platte people who read the issues as they come each month. Mr. Elliott is enthusiastic about the publication and believes it has a mission. The Tribune editor finds time to look it through each month and occasionally clips an item as of special interest to Tribune readers.

The Travel and Study club met Monday evening at the home of Mrs. I. L. Bare, 514 West Fourth street. The program for the evening consisted of a Travelogue on his recent trip to Europe by Rev. N. P. Patterson. The trip covered France, England and Ireland, and was given in an original and most pleasing manner. All the members present agreed that they had spent a very enjoyable and profitable evening. At the close delicious refreshments were served by the Postess.

Here is a problem for your solution: An equestrienne was making a trip from coast to coast and lost her way on the praries. She came to the Community church at Dexter, Nebr. which is 25 feet square. She tied her horse to the corner of the church with a 100 foot rope. How many square feet could the horse graze over? Here are some of the answers—Clarence E. Wenzel of Toledo 30,428.42; Sanford F. Beatty of Cincinnati and E. C. Brown of Sutherland is 30,428.47 and A. J. Beatty of Sutherland 30,434.25. What is your answer?

Superintendent Snyder has just called our attention to a mistake that is being made by some people who visit the Experimental substation. The vine clinging to the walls of the stucco buildings on the Experimental Substation farm is Virginia Creeper (Ampelopsis Englemanni) and not Boston Ivy (Ampelopsis Vetchii) which is not perfectly hardy north of Albuquerque, although it may live three or four years in this climate before being winter killed. He got this information from W. H. Dunman, superintendent of grounds, University of Nebraska, Lincoln.

Mrs. Will Collins was completely surprised when the members of the I. F. F. club greeted her upon her return from church and said they had come to eat Easter dinner with her and help celebrate her birthday. The dinner was indeed bountiful and all were among those who wished Mrs. Collins many more happy birthdays. Mr. and Mrs. F. E. Kronquist and family, Mr. and Mrs. C. Cypher and family, Mr. and Mrs. L. W. Heist and family, Mr. and Mrs. J. E. Schram and family, Mr. and Mrs. John Connor and daughter, Mr. and Mrs. Mogensen, Mr. and Mrs. Joe Nelson and family, Art Eckberg, Alec Anderson, M. E. Collins and Kark Kammer.

County Agent W. H. Kellogg has handed us a copy of a letter he received from L. I. Frisbie at Lincoln. Mr. Frisbie is the state leader of boys and girls clubs, which is a part of the Extension service of the Uni-

CAMP GROUND NOW OPEN TO TOURISTS

POPULAR STOPPING PLACE FOR AUTO TOURISTS IS READY FOR USE

The North Platte Free Public Camp ground opened last Saturday when water was turned on for the use of visitors. Several tourists have been parked there but there were no conveniences until Saturday. New toilet and lavatory plumbing has been installed, repairs have been made to the roof, new stove pipes have been supplied and a concrete floor has been placed in the entire building. The grounds have been raked and cleaned of all rubbish and everything is in readiness for fifty thousand tourist visitors which are expected here this summer. George Finn is again in charge and will give the travellers a hearty welcome.

STATE FARM HENS ARE STILL TAKING THE LEAD AT LINCOLN

In the Nebraska National Egg Laying contest being held at the University of Nebraska, a pen of ten single comb White Leghorn hens from the North Platte Experimental Substation is sixth in the lot of forty-one pens. The breeds stand as follows: White Orpington, Buff Orpington, White Plymouth Rock, Rhode Island Red, Brown Leghorn and White Leghorn. Of the twenty-three pens of White Leghorns, the North Platte birds easily stand first and of the 410 hens entered in the contest one North Platte bird is the sixth in the total number of eggs produced so far.

NORTH PLATTE JEWS RAISE TWO THOUSAND FOR WAR RELIEF

H. H. Lapedus and Henry Minsky of Omaha were in North Platte Sunday and completed the district organization of the committee on Jewish War Relief by the election of Julius Pizer as president, and A. B. Lee as secretary. The following subscriptions were made: Julius Pizer, \$650; H. Hirschfeld, \$350; Joe Hirschfeld, \$250; Harry Block, \$275; J. H. Stone, \$150; L. Lipschitz, \$100; A. B. Lee, \$100; Chas. Cornell, \$100, and Mrs. Pizer, \$25. This is a total of \$2,000. The national fund has been over subscribed but the Nebraska quota was still to be met. North Platte Jews certainly did their part.

The American Legion held a meeting last evening and completed arrangements for the trip to Tryon Saturday when a large delegation will attend the dedication of the new Legion hall at that place. They also talked over the plans for the contemplated auto races for the Fourth.

The North Platte Woman's club will hold a bazaar Saturday, April 22 in the Crystal theater building. There will be for sale aprons, children's clothes and many fancy and useful articles. Tea will be served during the afternoon and evening.

Chas. Dixon left last night for Omaha to complete the preliminary arrangements for the annual meeting of the Nebraska Association of Optometrists which he will meet on Wednesday and Thursday of this week. From there he will go to Lincoln where he will assist on Friday and Saturday on giving the state examinations in optometry. Mr. Dixon is secretary of the state association.

University of Nebraska. The letter reads as follows:

Dear Mr. Kellogg: Inclosed please find certificates of achievement and club seal for the Boxelder's Best Cookers, of which Mr. Rosse of Maxwell, is the leader.

We found the final reports in very good shape, and wish to congratulate this club on the fine piece of work they have done. They have finished as a 100 per cent completion achievement club, which is an honor to any club.

We have been more than pleased to note the interest that has been reported in this club, and we feel that it is ample indication that the hot lunch plan is profitable and enjoyable. Mr. Rosse is the only gentleman on our list of Hot Lunch Club leaders, and we feel that he has put across a very fine piece of work.

FIRST FILING FOR COUNTY COMMISSIONER MADE YESTERDAY

E. H. Springer paid the fee yesterday for filing for a place on the primary ballot as a candidate for county commissioner from the second district. He files for the nomination by the Republican party. Mr. Springer has served Lincoln county for a number of years and is at present commissioner from the second district, which embraces the eastern half of the county. He has the confidence of the people and if elected will make a good official.

ALL BOYS OF NORTH PLATTE TO BE GUESTS AT PICTURE SHOW

One of the interesting and instructive features of the Boys' Days program will be the showing at the Keith Theatre, Monday afternoon, April 24, at 4:15 to all boys the film, "Across the Great Divide." This picture shows the trip of the Clinton, Iowa boy scouts to Yellowstone Park thru the park and back home again. Part of the picture shows the sojourn at North Platte.

Every boy should be interested in the film of the buffalo herd of Yellowstone Park of the prairie dog towns, deer, and other wild animals, pictures of which were secured only with great effort and patience.

The committee in charge wishes every boy in North Platte to remember that members of the Kiwanis and Rotary Clubs will be at each school, public and parochial, that Monday afternoon to escort you to the Keith Theatre. They want every boy in North Platte to be sure to see this film.

MAYWOOD TO HOLD THREE DAY RACE MEET AND CELEBRATION

Fred L. Burke, secretary of the Southwest District Fair Association has just announced that at a meeting of the board of directors of the Association April 12, it was decided to hold a three day race meet and celebration at Maywood on July 3, 4, and 5. The entertainment will consist of horse races, automobile races; carnival and many other attractions. Mr. Burke writes—"We are planning one of the biggest celebrations ever held in this part of the state."

TOMORROW IS TO BE DOLLAR DAY

ALMOST 50 LOCAL MERCHANTS JOIN IN BIG BARGAIN EVENT

Seldom if ever before in the business history of North Platte has there been such a systematic co-operative effort of the retail business men to place a great bargain day before the people of Lincoln county. All newspapers have carried big two-page advertisements telling of the bargains. Five thousand large bills have been distributed by mail and carrier and window signs have told the story to all passers by. Tomorrow is the day. Real bargains mark the offerings of each business house. It is a sincere effort of the retail trade to attract business and it will be appreciated. Farmers, ranchmen, citizens of neighboring towns and North Platte people will be on the streets early. Study the offerings and make out a list of needs. And while doing it, don't forget to drop in at The Tribune office and subscribe for The Tribune at \$1.50 for a whole year—twice a week.

DECLAMATORY CONTEST AWARDS HONORS IN THREE CLASSES

The annual home contest was held at the Franklin auditorium last Friday evening and the following were winners in the different classes: Ida Payne in the humorous class, Dorothy Elder in the dramatic and Mildred Skinner in the oratorical. These young ladies will represent the local school in the district contest to be held at Gothenburg next Friday night.

Nebraska has advanced from third place in the United States in per capita automobile ownership to second place, tying with California and South Dakota, according to a report compiled by the Bureau of Publicity. Iowa is still first place with one auto for each 5.2 persons. Nebraska, California and South Dakota have one auto for each 5.3 persons. Alabama stands at the bottom of the list with one auto for each 28.5 people.

NORTH PLATTE WINS WITH SHANER AS INDIVIDUAL STAR

In the dual track meet with Gothenburg high school, the local boys took the honors by a score of 40 to 60. Shaner was the high winner of the meet with 31½ points to his individual credit. Last year Gothenburg won by a small margin. The track work is under the supervision of E. Stephens and it stands a good chance of winning the state meet.

SCOUT COUNCIL TO FOSTER A FATHER AND SON BANQUET SOON

The annual scout father and son banquet will be held on April 28 if plans recommended by Scout Executive Stephens are carried out. Each father of a scout will be urged to attend this banquet and bring his boy with him. Scouts without fathers will be provided with a big brother in the form of a man who has no scout boy. All men without boys in the scouts who will take a scout to the banquet are urged to notify Mr. Stephens. Good speakers and entertainment will be provided.

STORM COST STATEMENT MADE BY LOCAL TELEPHONE MANAGER ABOUT STORM

E. V. Cooper, local manager of the Northwestern Bell Telephone Company has issued the following statement about the sleet storm of last week which was so destructive east of here:

Telephone service which was cut off between more than half of the towns in Nebraska because of the breaking down of the long distance lines is being rapidly restored.

Sixty crews with about 1,200 men have been at work in the storm area since Tuesday. Twenty-seven crews have been working between Central City and Gothenburg in order to open the main line of telephone communication between the eastern and western part of Nebraska.

The telephone company had about 18,000 poles down in Nebraska and 5,000 in the territory outside of the state. One hundred cars of poles and several cars of wire and pole line materials have been hurried to the storm area from Chicago, Minneapolis, Kansas City and other points.
