#### GIVES NOTICE

The banks of Sutherland will be closed Saturday, April 22, Arbor day. A legal holiday. American State bank; Farmers State bank.—Sutherland Courier.

#### FEWER GOPHERS

A gopher eradication district has been established including all irrigated lands in the county, together with a strip of eighty rods width adjacent to same. O. L. Taylor of Scottsbluff is the agent placed in charge. The action is taken by the state bureau of agriculture under provisions of a pest law enacted at the last session of the legislature, which provided for such districts on petition of twenty-five land owners. Extermination of pocket gophers is made obligatory upon all landowners, under penalty of fine or imprisonment.—Gering Courier.

#### AUTO CAMP

The tourist camp has been cleaned up ready for the spring influx of travelers. Marshal Willmon and his lieutenants did the job. The camp has water, lights and toilets. All it needs is a water proof shelter of some kind, with two walls for windbreakers. The towns which have put in showers and ovens and other conveniences, including fuel, are beginning to question their wisdom. Tourists start

forth prepared to meet their daily needs, and the simplest accommodations usually meet all their expectations. A cordial spirit on the part of the citizens and a reasonable market on the part of the tradesmen is the best sort of advertising a community can have.—Sidney Telegraph.

#### RULES OF WAR

Mrs. W. O. Zigler who has kept a file of the Ogallala papers for many years brought in a copy of the Argus of February 4, 1904, containing the following which makes good reading today:

That young America is not behind the times is evidenced by the following unique document containing the rules of war, and signed by seven miniature men, ranging in age from 4 to 8 years. Doubtless these same boys will do efficient service for their country in days to come.

#### Rules.

Do not swear in the war, we are getting up.

Do not shoot with the guns until it is ordered.

Do not run, but march.

Hold your gun over your shoulder when marching.

#### MRS. PETER BURKE

Mrs. Peter Burke died at the farm home on the evening of April 13. Mrs. Burke was in her usual health all day and prepared the evening meal for herself and husband. After supper Mr. Burke went out to do the milking and on his return from the barn found Mrs. Burke sitting on the back steps of the house. As she often rested there he thought nothing of it and spoke to her. She did not answer and on approaching closer he was shocked to find that she was dead.

Lizzie Ethel Shurvington, daughter of Joseph and Lucy Shurvington, was born at Lowell, Ill., July 6, 1861, of English descent. When about 10 years old she moved with her parents to near Indianola, Ia., later removing to Nebraska and settling on Fox creek near the present site of Curtis. ### Dame Fashion Cries: "Comfort"

Today the fashion magazines pay flattering attention to proper shoes; for not only have thoughtful women discovered the greater value of efficient shoes and the comfort that comes from wearing them, but Dame Fashion herself has placed the seal of approval on Cantilever Shoes.

Their medium rounded toes—"comfortable toes" as one society writer described them; their well placed heels of proper height; their snug fitting, restful instep; their flexible arch, easing the foot in action and inducing grace in walking—all these Cantilever Shoe features tend to improve a woman's health and her appearance, her peace of mind and her charm of manner.

No wonder that Fashion has created a new requirement in woman's correct attire; sensible walking shoes for daytime. The high French heel and sharp toe are confined to dancing and formal dress. Let us show you these Cantilever Shoes. You will like to wear them. They make you feel so happy.
