MESSAGE FROM COMMANDER HANFORD MACNIDER RINGS TRUE

Here is the message to all American Legion posts and members and shows the attitude of the national commander to the Boy Scout movement:

Somewhere in your town there is a gang of kids who look to the men who served in '17 and '18 just as we looked to our older brothers of '98 and those splendid veterans of the Civil war—men who showed us the way—gave us our inspiration to step out when the day came and our country called.

That group of boys are going to be the citizens who follow our generation and in turn take over this country of ours. No finer teachings of loyalty and patriotism, no finer training for useful clean American citizenship exists than those of the Boy Scouts of America.

If every Legion post could adopt as its own a troop of Scouts, perfectly made up of lads who would have a hard time otherwise to take advantage of Scout privileges, that post would have accomplished by that act alone a great service to its community. Wherever there are Scout executives, we are asking that they go before the posts with information. If you can find it possible, and in every post there are men who will be interested, it would be a splendid thing to adopt these young Americans.

They will be only too glad to absorb from you the principles of their new organization and of the American Legion. "To uphold and defend the Constitution of the United States of America." Hanford MacNider.

John Henry Thalken was born in Hanover, Germany, July 25, 1846, and died of heart failure at 2:30 a. m. Friday, April 28, aged 75 years, 9 months and 3 days.

On September 2, 1873 at Madara, Mo., he was united in marriage to Mary Katherine Franken to which union nine children were born, all of whom survive except Mary Agnes, who died in Cheyenne county, when four years of age.

Since the death of his wife about nine years ago, the deceased made his home with his son, Charles, near Roscoe.

Mr. Thalken settled first in Cincinnati, Ohio, in April 1865, after a tedious trip of six weeks and three days on the water. In 1874 he came to Nebraska City, Neb., and helped to lay the first Burlington track into Lincoln.

On November 7, 1893 he moved to Roscoe and was section foreman for five years. He then homesteaded and has been farming ever since.

One sister, Mrs. Helena Gember, lives in Omaha and one brother, G. H. lives in Hollywood, Calif.

He is survived by two daughters, Mrs. Anna Nau of LaJolla, Calif., and Mrs. Margaret McGinley of North Platte, and six sons, J. B. and George H. of Laramie, Wyo., Frank R. of Conroy Island, N. Y., William G. of Melbourne and Fred H. and Charles E. of Roscoe and thirty grand-children.

The funeral took place on Saturday at 10:30 a. m. April 29, from St. Luke's church when Requiem High Mass was held. The service was conducted by Rev. Father Sloan, assisted by Father McDaid of North Platte who spoke of the high ideals for which the deceased strove during his earthly life.

The pallbearers were Messrs J. J. Geisert, Nick Beckus, Phil Beckus, John Curley, J. J. McCarthy and A. Vande Voorde, and the remains were laid away in the Catholic cemetery at Ogallala.

Those relatives from a distance who attended the funeral were J. B. and George H. Thalken of Laramie, Wyo.; Hugh Brogan of Sutherland; Mr. and Mrs. J. L. Murphy of North Platte, Mrs. Stafford and the M. H. Krab's family of Paxton.

PATRICK C MADLYNE—A comedy singing, talking and whistling act closing with instruments. The girl has a splendid voice and the man holds his end up splendidly. Both are more than pleasing to anyone.

DUNE & DAYE—An act plot dealing with Kid Days. Mr. Dune and Miss Daye are two young people excellent types for the characters they are playing, both being small. Mr. Dunne is the late star of the Gene Stratten Porter's song play "Freckles." They both have personalities that will win the audiences over from start to finish.

AL & FLO COOPER—Novelty artist entertainers. Harmonizing songs, pictures and a wardrobe to comply with the picture.

THREE BOHEMIANS AND NOBY—The latter is a dog. All appear in a quaint specialty in which Hats have the habit of bommeranging. They are expert bommerang throwers but instead of using bommerangs they use hats. Nobby, the bull dog does his full share to make the act a big success and one that is especially enjoyed by the little folks.
