**ACHIEVEMENT DAY IS INTERESTING CELEBRATION AT BIGNELL**

On Friday, May 12, the West Osgood school and the Box Elder school joined with the Bignell school in what is called achievement day, in the hot lunch clubs. These are the only schools in the county having hot lunch clubs and Miss Jessie Green, University Extension director of hot lunch clubs, made a trip to Bignell at that time to be with them. In addition to Miss Green and the school people there were other visitors including Mrs. Harold Weise, county Red Cross nurse, and her mother, Mrs. Chaffin, and George H. Kellogg, county agent. A picnic dinner was served from a long table in the center of the school room with hot coffee, cocoa and lemonade for drinks. Following the dinner a program was given including club songs and talks by members of the clubs, a talk by Mrs. A. R. Leavitt on "A Mother's Point of View," and enjoyable talks by Mrs. Weise, Mr. Kellogg and Miss Green. Mr. Kellogg presented the members of the clubs with certificates of achievement. The James Rosse club of Box Elder, finished as a 100 per cent club. Many in attendance regretted that every school in the county had not entered into the hot lunch club work this year.

A Cordovan purse will make a wonderful lasting gift for graduation. Dixon the Jeweler.

Remarkable Success of These Talented Physicians in the Treatment of Chronic Diseases.

**Examination and Consultation Free**

The diagnostician of the United Doctors, licensed by the state of Nebraska, for the treatment of chronic diseases of men, women and children offer to all who call on this visit, consultation, examination and advise free. They have a system and method of treatments that are sure and certain in their results.

These doctors are experts in the treatment of chronic diseases of the blood, liver stomach, intestines, heart, kidneys or bladder, rheumatism, sciatica, leg ulcers, weak lungs, and those afflicted with long standing, deep seated, chronic diseases, that have baffled the skill of other physicians, should not fail to call.

According to their system no more operations for appendicitis, gall stones, goiter, piles, etc., as all cases accepted will be treated without operation or hypodermic injection. If you have kidney or bladder troubles, bring a 4-ounce bottle of your urine for chemical analysis and microscopic examination.

Worn-out and run-down men and women, no matter what your ailment may be, no matter what you have been told, or the experience you have had with other physicians, settle it forever in your mind. If your case is incurable they will tell you so. Consult them upon this visit. It costs you nothing.

Remember, this free offer is for this visit only.

Married ladies must come with their husbands and minors with their parents.
